Notice of Intent To Repatriate Cultural Items: Arizona State Museum, University of Arizona, Tucson, AZ

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: The Arizona State Museum, in consultation with the appropriate Indian tribes or Native Hawaiian organizations, has determined that the cultural items listed in this notice meet the definition of unassociated funerary objects. Lineal descendants or representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to claim these cultural items should submit a written request to the Arizona State Museum. If no additional claimants come forward, transfer of control of the cultural items to the lineal descendants, Indian tribes, or Native Hawaiian organizations stated in this notice may proceed.

DATES: Lineal descendants or representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to claim these cultural items should submit a written request with information in support of the claim to the Arizona State Museum at the address in this notice by October 10, 2014.

ADDRESSES: John McClelland, NAGPRA Coordinator, P.O. Box 210026, Arizona State Museum, University of Arizona, Tucson, AZ 85721, telephone (520) 626–2950.

SUPPLEMENTARY INFORMATION: Notice is here given in accordance with the

Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3005, of the intent to repatriate cultural items under the control of Arizona State Museum, University of Arizona, Tucson, AZ, that meet the definition of unassociated funerary objects under 25 U.S.C. 3001.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American cultural items. The National Park Service is not responsible for the determinations in this notice.

History and Description of the Cultural Items

In 1949, four cultural items were removed from San Agustín de Tucson, AZ BB:13:6(ASM), in Tucson, Pima County, AZ. The legally authorized excavations were conducted by the University of Arizona under the direction of Terah L Smiley. At the end of excavations, the archeological collections were brought the Arizona State Museum (ASM) and assigned accession numbers. The four unassociated funerary objects are four lots of glass beads.

Site AZ BB:13:6(ASM) is a multicomponent habitation and agricultural site. In the 1690s, Father Eusebio Kino traveled through southern Arizona and reported the presence of a Piman village on the west bank of the Santa Cruz River near Sentinel Peak. He named this village San Cosme de Tucson after Chuk-son, the Piman name for the village. By the early years of the 18th century, a visita was established at San Cosme as an extension of the mission of San Xavier Del Bac, located a few miles to the south. Priests from San Xavier would come to the visita occasionally to conduct baptisms and other rites for the village inhabitants. Beginning in the early 1770's construction began on more permanent facilities. The mission complex, renamed San Agustín, eventually included a chapel, a two-story convent building, an orchard, a granary, and a cemetery for the Native American population. The mission was in use until the middle of the 19th century. Historical records indicate that Sections A and B of the cemetery were used for the internment of baptized Native Americans who were the inhabitants of the O'odham village. The O'odham people today are comprised of the Ak Chin Indian Community of the Maricopa (Ak Chin) Indian Reservation, Arizona, Gila River Indian Community

of the Gila River Indian Reservation, Salt River Pima-Maricopa Indian Community of the Salt River Reservation, Arizona, and Tohono O'odham Nation of Arizona.

Determinations Made by the Arizona State Museum

Officials of the ASM have determined that:

- Pursuant to 25 U.S.C. 3001(3)(B), the 4 cultural items described above are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony and are believed, by a preponderance of the evidence, to have been removed from a specific burial site of a Native American individual.

- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the unassociated funerary objects and the Ak Chin Indian Community of the Maricopa (Ak Chin) Indian Reservation, Arizona; Gila River Indian Community of the Gila River Indian Reservation; Salt River Pima-Maricopa Indian Community of the Salt River Reservation, Arizona; and Tohono O'odham Nation of Arizona.

Additional Requestors and Disposition

Lineal descendants or representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to claim these cultural items should submit a written request with information in support of the claim to John McClelland, NAGPRA Coordinator, P.O. Box 210026, Arizona State Museum, University of Arizona, Tucson, AZ 85721, telephone (520) 626–2950, by October 10, 2014. After that date, if no additional claimants have come forward, transfer of control of the unassociated funerary objects to the Ak Chin Indian Community of the Maricopa (Ak Chin) Indian Reservation, Arizona; Gila River Indian Community of the Gila River Indian Reservation; Salt River Pima-Maricopa Indian Community of the Salt River Reservation, Arizona; and Tohono O'odham Nation of Arizona may proceed.

The Arizona State Museum is responsible for notifying the Ak Chin Indian Community of the Maricopa (Ak Chin) Indian Reservation, Arizona; Gila River Indian Community of the Gila River Indian Reservation; Salt River Pima-Maricopa Indian Community of the Salt River Reservation, Arizona; and Tohono O'odham Nation of Arizona that this notice has been published.

Dated: August 1, 2014.

Melanie O'Brien,

Acting Manager, National NAGPRA Program.

Notice of Intent To Repatriate Cultural Items: Arizona State Museum, University of Arizona, Tucson, AZ

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: The Arizona State Museum, in consultation with the appropriate Indian tribes or Native Hawaiian organizations, has determined that the cultural items listed in this notice meet the definition of unassociated funerary objects. Lineal descendants or representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to claim these cultural items should submit a written request to the Arizona State Museum. If no additional claimants come forward, transfer of control of the cultural items to the lineal descendants, Indian tribes, or Native Hawaiian organizations stated in this notice may proceed.

DATES: Lineal descendants or representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to claim these cultural items should submit a written request with information in support of the claim to the Arizona State Museum at the address in this notice by October 10, 2014.

ADDRESSES: John McClelland, NAGPRA Coordinator, P.O. Box 210026, Arizona State Museum, University of Arizona, Tucson, AZ 85721, telephone (520) 626-2950.

SUPPLEMENTARY INFORMATION: Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3005, of the intent to repatriate cultural items under the control of Arizona State Museum, University of Arizona, Tucson, AZ, that meet the definition of unassociated funerary objects under 25 U.S.C. 3001.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of

the museum, institution, or Federal agency that has control of the Native American cultural items. The National Park Service is not responsible for the determinations in this notice.

History and Description of the Cultural Items

In 1968 and 1969, two cultural items were removed from a private residence from an unrecorded site, AZ AA:12:—Tucson Site 14, at a privately-owned trailer park in Pima County, AZ. The legally authorized excavations were conducted by the Arizona State Museum (ASM) under the direction of James Ayres and Walter Birkby. The archeological collections were brought to ASM and accessioned. The two unassociated funerary objects are one bone bead and one clay fragment. The human remains once associated with these objects are missing. Field notes mention the presence of sherds that were not collected. On this basis, the objects are likely dated to the period A.D. 200–1500, which encompasses the Hohokam sequence.

In the years 1936 through 1938, 1,459 cultural items were removed from the Hodges Site AZ AA:12:18(ASM), in Tucson, Pima County, AZ. The legally authorized excavations were conducted by the Gila Pueblo Archaeological Foundation under the direction of Carl Miller and Isabel Kelly. At the end of the excavations, the collections were brought to the Gila Pueblo Archeological Foundation in Globe, AZ. In 1944, the archeological collections were transferred to ASM. The 1,459 unassociated funerary objects are 5 animal bones, 7 bone artifacts, 3 bone awls, 1 bone awl fragment, 126 ceramic bowls, 121 ceramic bowl fragments, 1 ceramic canteen, 3 ceramic censers, 4 ceramic disks, 2 ceramic figurines, 18 ceramic figurine fragments, 105 ceramic jars, 59 ceramic jar fragments, 8 ceramic plates, 3 ceramic plate fragments, 28 ceramic scoops, 645 ceramic sherds, 2 ceramic sherd artifacts, 7 ceramic vessels, 1 chipped stone debris fragment, 3 chipped stone knives, 1 chipped stone scraper, 1 clay fragment, 3 grinding stones, 2 hammer stones, 1 handstone, 1 mineral lot, 3 polishing stones, 12 shells, 2 shell artifacts, 24 lots of shell beads, 2 shell bracelets, 21 shell bracelet fragments, 3 shell fragments, 8 shell pendants, 6 shell pendant fragments, 1 shell ring, 15 stone artifacts, 1 stone axe, 4 lots of stone beads, 24 stone bowls, 13 stone bowl fragments, 3 stone concretions, 1 stone cylinder, 3 stone disks, 27 stone palettes, 8 stone palette fragments, 3 stone palette preforms, 3 stone pendants, 47 stone projectile points, 2

turquoise beads, 1 turquoise fragment, 1 turquoise pendant, 59 turquoise tesserae, and 1 worked ceramic sherd. Hodges Ruin was a large Hohokam village that was occupied from the Hohokam Tortolita to Tanque Verde phases (A.D. 350–1300), based on ceramic typologies.

In 1969 and in 1988–1989, 225 cultural objects were removed from Rabid Ruin AZ AA:12:46(ASM), Pima County, AZ. The legally authorized excavations in 1969 were conducted by ASM under the direction of Laurens Hammack. The legally authorized excavations in 1988–1989 were conducted by Culture and Environmental Systems under the direction of Laurie Slawson. The later excavations were the more extensive of the two projects and were undertaken to mitigate impacts prior to the placement of sewer and water lines through the site. Following completion of each excavation, the archeological collections were brought to ASM and assigned an accession number. The 225 unassociated funerary objects are 2 lots of botanical material, 1 ceramic bowl, 1 ceramic jar fragment, 1 ceramic pitcher, 201 ceramic sherds, 5 chipped stones, 2 shells, 1 lot of shell and stone beads, 3 lots of shell beads, 1 lot of stone beads, 1 stone cylinder, 4 stone projectile points, 1 lot of textile fragments, and 1 turquoise pendant. The Rabid Ruin site was a Hohokam multi-component village and is located on the west bank of the Santa Cruz River on the grounds of the Pima County Animal Control Center (formerly the Rabies Control Center). Based on artifact and ceramic typologies, the site was occupied during the Archaic period through the prehistoric historic transition, (8000 B.C.–A.D. 1500/1700). The principal component was a cemetery with a large number of primary and secondary cremations, dating to the Hohokam Classic period (A.D. 1150–1450), and the cultural items are primarily from this period.

In 1979–1983 and in 1987–1988, 301 cultural items were removed from Los Morteros AZ AA:12:57(ASM), in Pima County, AZ. The legally authorized excavations were conducted in 1979–1983 by ASM under the direction of Richard Lange and William Deaver, and in a separate project in 1987–1988 by the Center for Desert Archaeology under the direction of Mary Bernard-Shaw. Following completion of each excavation, the archeological collections were brought to ASM and assigned an accession number. The 301 unassociated funerary objects are 5 animal bones, 1 ceramic bowl, 1 ceramic jar, 284 ceramic sherds, 1 ceramic
