Wooden Bedroom Furniture From the People's Republic of China: Correction to Notice of Extension of Preliminary Results of Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* October 15, 2010.

FOR FURTHER INFORMATION CONTACT:

Jeffrey Pedersen or Rebecca Pandolph, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-2769 or (202) 482-3627, respectively.

Correction

On August 27, 2010, the Department of Commerce (the Department) published a notice of extension of time limit for the preliminary results of the antidumping new shipper review of wooden bedroom furniture from the People's Republic of China for the period January 1, 2009, through December 31, 2009. *See Wooden Bedroom Furniture From the People's Republic of China: Extension of Preliminary Results of Antidumping Duty New Shipper Review*, 75 FR 52716 (August 27, 2010) (Extension Notice). Subsequent to the publication of the Extension Notice, we identified an inadvertent clerical error in the Extension Notice.

Under the "Extension of Time Limits for Preliminary Results" section of the Extension Notice, the Department discussed the reasons for extending the preliminary results of the new shipper review but then incorrectly stated that it was "extending the time for the completion of the final results" and noted that "the deadline for completion of the final results of these reviews is now no later than December 27, 2010." The purpose of the instant notice is to

notify parties of the error and to correct the error.

The Department has not extended the final results of the new shipper review. Rather, the Extension Notice was meant to extend the preliminary results of the new shipper review. Thus, the preliminary results of the new shipper review are due no later than December 27, 2010.

This correction notice is issued and published in accordance with sections 751(a)(2)(B)(iv) and 751(h) of the Act.

Dated: October 7, 2010.

Susan H. Kuhbach,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Pure Magnesium From the People's Republic of China: Extension of Time for the Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* October 15, 2010.

FOR FURTHER INFORMATION CONTACT:

Laurel LaCivita, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4243.

Background

On June 18, 2010, the Department of Commerce ("the Department") published the preliminary results of this administrative review for the period May 1, 2008, to April 30, 2009. *See Pure Magnesium from the People's Republic of China: Preliminary Results of the 2008-2009 Antidumping Duty Administrative Review*, 75 FR 34689 (June 18, 2010). The final results of review are currently due on October 18, 2010.

Extension of Time Limits for the Final Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue final results within 120 days after the date on which the preliminary results are published. However, if it is not

practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 180 days. Completion of the final results of the administrative review within the 120-day period is not practicable because the Department requires additional time to analyze information obtained at verification, evaluate the surrogate value information placed on the record, and consider the arguments raised by the parties in the case and rebuttal briefs and provided at the hearing.

Because it is not practicable to complete this review within the time specified under the Act, we are extending the time period for issuing the final results of the administrative review to 180 days, until December 15, 2010, in accordance with section 751(a)(3)(A) of the Act.

We are publishing this notice pursuant to sections 751(a) and 777(i) of the Act.

Dated: October 7, 2010.

Susan H. Kuhbach,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Preserved Mushrooms From the People's Republic of China; Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* October 15, 2010.

FOR FURTHER INFORMATION CONTACT:

Scott Hoefke or Fred Baker, AD/CVD Operations Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4947 or (202) 482-2924, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 30, 2010, the Department of Commerce (the Department) published in the **Federal Register** the initiation of administrative review of the antidumping duty order on certain preserved mushrooms from the People's

Republic of China, covering the period of February 1, 2009, through January 31, 2010. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 75 FR 15679 (March 30, 2010). The current deadline for the preliminary results of this review is October 31, 2010.

Extension of Time Limits for Preliminary Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires that the Department complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month of an order for which a review is requested.

The Department finds that it is not practicable to complete the preliminary results of this review within the original time frame because comments from interested parties have necessitated the solicitation and subsequent analysis of additional information from all respondents: Xiamen International Trade & Industrial Co., Ltd.; Guangxi Jisheng Foods, Inc.; and Blue Field (Sichuan) Food Industrial Co., Ltd. This additional information covers a wide range of issues and is extensive. The Department requires additional time to gather and analyze the additional information. Thus, the Department finds it is not practicable to complete this review within the original time limit (*i.e.*, October 31, 2010). Accordingly, the Department is extending the time limit for completion of the preliminary results of this administrative review by 120 days (*i.e.*, until February 28, 2011), in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2). We intend to issue the final results no later than 120 days after publication of the preliminary results notice.

This extension is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: October 7, 2010.

Susan H. Kuhbach,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

National Oceanic and Atmospheric Administration

Notice of Availability for Public Comment on the Interagency Ocean Observation; Committee Proposed Certification Design Process

AGENCY: National Ocean Service (NOS), National Oceanic and Atmospheric Administration (NOAA), U.S. Department of Commerce (DOC).

ACTION: Notice of availability; request for comments.

SUMMARY: The NOAA Integrated Ocean Observing System (IOOS) Program publishes this notice on behalf of the Interagency Ocean Observation Committee (IOOC) to announce a 60-day public comment period for the proposed certification design process mandated by the Integrated Coastal and Ocean Observation System Act of 2009 (ICOOS Act). The IOOC will use the proposed process to develop certification standards for non-federal assets, including regional information coordination entities, to establish eligibility for integration into the Integrated Ocean Observing System (System).

DATES: Written, faxed or e-mailed comments must be received no later than 5 p.m. eastern standard time on November 15, 2010.

ADDRESSES: The IOOC proposed certification design process and additional background material is available for review from the IOOC Web site URL: <http://www.iooc.us> or the IOOS Program Web site URL: <http://www.ioos.gov>. For the public unable to access the Internet, printed copies can be requested by contacting the IOOC Support Office at the address below. The public is encouraged to submit comments electronically to certification@iooc.us. If you are unable to access the Internet, comments may be submitted via fax or regular mail. Faxed comments should be sent to 202-332-8887 with *Attn:* IOOC Support Office. Comments may be submitted in writing to the Consortium for Ocean Leadership, *Attention:* IOOC Support Office, 1201 New York Avenue, NW., 4th Floor, Washington, DC 20005.

FOR FURTHER INFORMATION CONTACT: For further information about this notice, please contact the IOOC Support Office, telephone: 202-787-1622; *E-mail:* certification@iooc.us or the IOOS Program Office, telephone 301-427-2442.

SUPPLEMENTARY INFORMATION: On 30 March 2009, President Barack Obama signed into law the Integrated Coastal and Ocean Observation System Act of 2009. Among the requirements in the Act is a directive to the IOOC to develop contract certification standards and compliance procedures for all non-Federal assets, including regional information coordination entities, to establish eligibility for integration into the System and to ensure compliance with all applicable standards and protocols established and to ensure that regional observations are integrated into the System on a sustained basis. The IOOC seeks public comment on both the proposed process to create these standards and on the scope and structure of the standards. The proposed certification design process and additional background information are available on the IOOC and IOOS Web sites or by contacting the IOOC Support Office or the IOOS Program Office. The IOOC is the Federal interagency group established in accordance with the ICOOS Act to lead the interagency planning and coordination of ocean observing activities including IOOS. The IOOC is comprised of representatives of eleven Federal agencies. The ICOOS Act identifies NOAA as the lead Federal agency. As defined in the IOOC charter, the purpose of the IOOC is to advise and assist national ocean governance bodies like the Ocean Science and Technology Interagency Policy Committee, called for in the National Ocean Policy, on matters relating to a national, end-to-end ocean observing system.

Dated: October 5, 2010.

David M. Kennedy,

Acting Assistant Administrator for Ocean Service and Coastal Zone Management.
