SUPPLEMENTARY INFORMATION:**Instructions for Submitting Requests To Testify**

In light of the current circumstances surrounding the COVID-19 pandemic caused by the novel coronavirus which may result in disruption to the receipt of requests to testify by U.S. Mail or hand delivery/courier, persons are encouraged to submit all requests to testify electronically and not to follow with paper copies. Requests to testify, including outlines, will be available for public inspection in the Public Disclosure Room of the Employee Benefits Security Administration, U.S. Department of Labor, Room N-1513, 200 Constitution Avenue NW, Washington, DC 20210; however, the Public Disclosure Room may be closed due to circumstances surrounding the COVID-19 pandemic caused by the novel coronavirus. Requests to testify, including outlines, will also be available online at www.regulations.gov, at Docket ID number: EBSA-2020-0003 and www.dol.gov/agencies/ebsa, at no charge.

Warning: All submissions received will be included in the public record without change and will be made available online at www.regulations.gov and www.dol.gov/agencies/ebsa, including any personal information provided, unless the submission includes information claimed to be confidential or other information whose disclosure is restricted by statute. If you submit a request to testify, you should include your name and other contact information, but DO NOT submit information that you consider to be confidential, or otherwise protected (such as Social Security number or an unlisted phone number), or confidential business information that you do not want publicly disclosed. However, if EBSA cannot read your submission due to technical difficulties and cannot contact you for clarification, EBSA might not be able to consider your request. Additionally, the www.regulations.gov website is an “anonymous access” system, which means EBSA will not know your identity or contact information unless you provide it.

Background

On July 7, 2020, the Department published in the **Federal Register** a proposed prohibited transaction exemption for investment advice

fiduciaries that would provide relief that is broader and more flexible than the Department’s existing exemptions. The proposed exemption would also provide regulatory certainty and streamline regulatory requirements as investment advice fiduciaries could comply with one exemption for a variety of different types of transactions.

Since publication in the **Federal Register**, there has been considerable interest expressed regarding the proposed prohibited transaction exemption, as well as several public comments requesting a hearing. The Department has decided to hold a public hearing on this proposed prohibited transaction exemption to provide commenters an opportunity to present material factual issues that cannot be fully explored through written submission. The hearing will be held on September 3 and (if necessary) September 4, 2020, beginning each day at 9 a.m. EDT, via WebEx. The hearing will be transcribed. Persons interested in presenting testimony and answering questions at this public hearing must submit, by 11:59 p.m. EDT, August 28, 2020, a written request to testify and an outline of the issues they would like to address at the hearing. Testimony will be limited to individuals or parties who submitted, in accordance with the instructions included with the proposed exemption, a comment or hearing request on the proposed exemption before the close of the comment period.

Outlines should present material factual issues and demonstrate that the proposed testimony is both germane to factual issues needing exploration at the hearing that could not have been submitted in writing, and not duplicative of arguments and factual material previously included in the requestor’s comment letter. In addition to the outline, all requests to testify must clearly identify: (1) The name of the person desiring to serve as a witness; (2) the organization or organizations represented, if any; (3) contact information (address, telephone, and email); and (4) the date of the comment letter or hearing request submitted by the person or organization concerning the proposed exemption. Any individuals with disabilities who need special accommodations in order to testify should contact EBSA after submitting their written request concerning the scheduling of their testimony. The hearing will be open for viewing to the general public, and registration information for those who wish to view the hearing will be available at www.dol.gov/agencies/ebsa.

Depending upon the number and nature of the requests to testify, and in

light of the limited time available for the public hearing, EBSA may need to further limit the number of those testifying in order to provide an opportunity for the presentation of the broadest array of points of view on all aspects of the proposed exemption during the period allotted for the hearing and to curtail testimony that is only cumulative or not germane to the factual issues being explored. The Department expects to organize the hearing into panels of witnesses with several witnesses on each panel. The Department will assign panel slots only to those persons or organizations whose outline indicates that they will present material factual issues that cannot be fully explored through written submission. The Department will not assign panel slots to those persons or organizations whose outlines identify only issues of law. The Department will also give preference, to the extent feasible, to parties with similar interests who select a common representative to testify on their behalf, and to parties who requested a hearing (or to participate in a hearing if held) in their written submissions during the comment period.

EBSA will prepare an agenda indicating the order of presentation of oral testimony. In the absence of special circumstances, each presenter will be allotted a minimum of ten minutes in which to complete his or her presentation. Those individuals who make oral comments and present testimony at the hearing should be prepared to answer clarifying questions, if necessary, regarding their information and comments. Those requesting to testify also should be prepared to participate as part of a panel. Information about the agenda for the hearing and further directions for hearing participants will be posted on www.regulations.gov and www.dol.gov/agencies/ebsa no later than August 31, 2020.

Notice of Public Hearing

Notice is hereby given that a public hearing will be held on September 3 and (if necessary) September 4, 2020 concerning the proposed prohibited transaction exemption on Improving Investment Advice for Workers and Retirees published in the **Federal Register** on July 7, 2020 (85 FR 40834). The hearing will be held beginning at 9 a.m. EDT and will be held virtually. Registration information for those who wish to view the hearing will be available at www.dol.gov/agencies/ebsa.

All requests to testify and outlines of testimony will be available to the public, without charge, online at

www.regulations.gov and www.dol.gov/agencies/ebsa or at the Public Disclosure Room, N-1513, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue NW, Washington, DC 20210. Warning: Do not include any personally identifiable information (such as Social Security Number or an unlisted phone number) or confidential business information that you do not want publicly disclosed. All requests to testify and outlines of testimony may be posted on the internet and can be retrieved by most internet search engines.

Signed at Washington, DC, this 21st day of August, 2020.

Jeanne Klinefelter Wilson,

Acting Assistant Secretary, Employee Benefits Security Administration, U.S. Department of Labor.

This action would further require that persons not commence manufacture or processing for the significant new use until they have submitted a Significant New Use Notice (SNUN), and EPA has conducted a review of the notice, made an appropriate determination on the notice, and has taken any risk management actions as are required as a result of that determination.

DATES: Comments must be received on or before September 24, 2020.

ADDRESSES: Submit your comments, identified by docket identification (ID)

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this action apply to me?

You may be potentially affected by this action if you manufacture, process, or use the chemical substances contained in this proposed rule. The following list of North American Industrial Classification System (NAICS) codes is not intended to be exhaustive, but rather provides a guide to help readers determine whether this document applies to them. Potentially affected entities may include:

- Manufacturers or processors of one or more subject chemical substances (NAICS codes 325 and 324110), e.g., chemical manufacturing and petroleum refineries.

This action may also affect certain entities through pre-existing import certification and export notification

rules under TSCA. Chemical importers are subject to the TSCA section 13 (15 U.S.C. 2612) import provisions. This action may also affect certain entities through pre-existing import certification and export notification rules under TSCA, which would include the SNUR requirements should these proposed rules be finalized. The EPA policy in support of import certification appears at 40 CFR part 707, subpart B. In addition, pursuant to 40 CFR 721.20, any persons who export or intend to export a chemical substance that is the subject of this proposed rule on or after September 24, 2020 are subject to the export notification provisions of TSCA section 12(b) (15 U.S.C. 2611(b)) and must comply with the export notification requirements in 40 CFR part 707, subpart D.

B. What should I consider as I prepare my comments for EPA?

1. *Submitting CBI.* Do not submit CBI to EPA through www.regulations.gov or email. Clearly mark the part or all of the information that you claim to be CBI. For CBI information in a disk or CD-ROM that you mail to EPA, mark the outside of the disk or CD-ROM as CBI and then identify electronically within the disk or CD-ROM the specific information that is claimed as CBI. In addition to one complete version of the comment that includes information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket. Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

2. *Tips for preparing your comments.* When preparing and submitting your comments, see the commenting tips at <http://www.epa.gov/dockets/comments.html>.

II. Background

A. What action is the Agency taking?

EPA is proposing these SNURs under TSCA section 5(a)(2) for chemical substances which are the subjects of PMNs P-18-399, P-18-400, and P-20-68. These proposed SNURs would require persons who intend to manufacture or process any of these chemical substances for an activity that is designated as a significant new use to notify EPA at least 90 days before commencing that activity.

The record for these proposed SNURs, identified as docket ID number EPA-HQ-OPPT-2020-0304, includes information considered by the Agency in developing these proposed SNURs.
