AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* June 8, 2011.

FOR FURTHER INFORMATION CONTACT: Kristen Johnson or Robert Copyak, AD/CVD Operations, Office 3, Import Administration, U.S. Department of Commerce, Room 4014, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* 202-482-4793 and 202-482-2209, respectively.

SUPPLEMENTARY INFORMATION:

Background

On April 19, 2011, the Department of Commerce (the Department) initiated

the countervailing duty investigation of certain steel wheels from the People's Republic of China. *See Certain Steel Wheels From the People's Republic of China: Initiation of Countervailing Duty Investigation*, 76 FR 23302 (April 26, 2011). Currently, the preliminary determination is due no later than June 23, 2011.

Postponement of Due Date for Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the preliminary determination in a countervailing duty investigation within 65 days after the date on which the Department initiated the investigation. However, if the Department concludes that the parties concerned in the investigation are cooperating and determines that the investigation is extraordinarily complicated, section 703(c)(1)(B) of the Act allows the Department to postpone making the preliminary determination until no later than 130 days after the date on which the administering authority initiated the investigation.

The Department has determined that the parties involved in the proceeding are cooperating and that the investigation is extraordinarily complicated. *See* section 703(c)(1)(B) of the Act. Specifically, the Department is currently investigating alleged subsidy programs involving loans, grants, income tax incentives, and the provision of goods or services for less than adequate remuneration. Due to the number and complexity of the alleged countervailable subsidy practices being investigated, it is not practicable to complete the preliminary determination of this investigation within the original time limit (*i.e.*, by June 23, 2011). Therefore, in accordance with section 703(c)(1)(B) of the Act, we are fully extending the due date for the preliminary determination to no later than 130 days after the day on which the investigation was initiated. However, as that date falls on a Saturday (*i.e.*, August 27, 2011), the deadline for completion of the preliminary determination is now Monday, August 29, 2011, the next business day.

This notice is issued and published pursuant to section 703(c)(2) of the Act.

Dated: June 1, 2011.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.
