

exporter or producer. The request must include the name(s) of the exporter or producer for which the inquiry is requested.

For the first administrative review of any order, there will be no assessment of antidumping or countervailing duties on entries of subject merchandise entered, or withdrawn from warehouse, for consumption during the relevant provisional-measures "gap" period, of the order, if such a gap period is applicable to the POR.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305. On January 22, 2008, the Department published *Antidumping and Countervailing Duty Proceedings: Documents Submission Procedures; APO Procedures*, 73 FR 3634 (January 22, 2008). Those procedures apply to administrative reviews included in this notice of initiation. Parties wishing to participate in any of these administrative reviews should ensure that they meet the requirements of these procedures (e.g., the filing of separate letters of appearance as discussed at 19 CFR 351.103(d)).

Any party submitting factual information in an antidumping duty or countervailing duty proceeding must certify to the accuracy and completeness of that information. See section 782(b) of the Act. Parties are hereby reminded that revised certification requirements are in effect for company/government officials as well as their representatives in all segments of any antidumping duty or countervailing duty proceedings initiated on or after March 14, 2011. See *Certification of Factual Information to Import Administration During Antidumping and Countervailing Duty Proceedings: Interim Final Rule*, 76 FR 7491 (February 10, 2011) (*Interim Final Rule*), amending 19 CFR 351.303(g)(1) and (2). The formats for the revised certifications are provided at the end of the *Interim Final Rule*. The Department intends to reject factual submissions in any proceeding segments initiated on or after March 14, 2011 if the submitting party does not comply with the revised certification requirements.

These initiations and this notice are in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)), and 19 CFR 351.221(c)(1)(i).

Fresh Garlic From the People's Republic of China: Extension of Time Limit for the Final Results of New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* July 28, 2011.

FOR FURTHER INFORMATION CONTACT: Jacqueline Arrowsmith, Milton Koch, and Justin Neuman, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-5255, (202) 482-2584, and (202) 482-0486, respectively.

Background

On May 3, 2011, the Department of Commerce (the Department) issued the preliminary intent to rescind the new shipper reviews of fresh garlic from the People's Republic of China for Jining Yifa Garlic Produce Co., Ltd. and Shenzhen Bainong Co., Ltd. for the period of review (POR) November 1, 2009, through April 30, 2010, and Yantai Jinyan Trading Inc. for the POR November 1, 2009, through May 31, 2010.

See *Fresh Garlic From the People's Republic of China: Preliminary Intent To Rescind New Shipper Reviews*, 76 FR 24857 (May 3, 2011) (*Preliminary Intent to Rescind*).

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(i)(1), provide that the Department will issue the preliminary results of a new shipper review of an antidumping duty order within 180 days after the day on which the review was initiated, and the final results of review within 90 days after the date on which the preliminary results were issued. However, if the Department concludes that a new shipper review is extraordinarily complicated, the Department may extend the 180-day period to 300 days, and may extend the 90-day period to 150 days. See 19 CFR 351.214(i)(2).

Extension of Time Limit for Final Results

The Department determines that these new shipper reviews involve extraordinarily complicated issues. In

particular, since the *Preliminary Intent to Rescind*, the Department has solicited and received additional information regarding the *bona fides* of the new shippers' sales. The Department needs additional time to analyze this new information and to consider the parties' arguments with regard to the *bona fides* of the sales under review. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department is extending the time limit for the final results from 90 days to 111 days. Thus, the final results will now be due no later than August 15, 2011.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i)(I) of the Act.

Dated: July 22, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
