VI. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products which are currently in the United States and which were packaged, labeled, and released for shipment prior to the effective date of the action. The existing stocks provision for the products subject to this order is specified in the Memorandum of Agreement between the EPA and registrants listed in Table 2 (www.regulations.gov—EPA—HQ—OPP—2009—0010). The existing stocks provision is as follows: All sale, distribution and use of existing stocks of manufacturing-use products imported into the United States shall be prohibited as of December 31, 2012. In addition, as of December 31, 2012, all sale, distribution, and use of existing stocks of manufacturing-use products shall be prohibited unless the sale, distribution, or use is for purposes of export consistent with section 17 of FIFRA or for proper disposal. Registrants are prohibited from selling or distributing end-use products as of December 31, 2012, except for end-use products intended for export consistent with the requirements of section 17 of FIFRA, or for proper disposal. Persons other than the registrants are permitted to sell or distribute end-use products prior to August 31, 2013. All sale and distribution of end-use products shall be prohibited as of August 31, 2013, except for export consistent with section 17 of FIFRA or for proper disposal. Additionally, all use of existing stocks of the end-use products shall be prohibited as of December 31, 2013, except for products intended for export consistent with the requirements of section 17 of FIFRA or proper disposal. Finally, as of the effective date of this cancellation order, any permitted use of existing stocks is expressly conditioned upon such use being consistent with the terms of the previously approved labeling on or that accompanied the cancelled product.
