DEPARTMENT OF DEFENSE

Office of the Secretary

32 CFR Part 311

[Docket ID: DoD–2011–OS–0004]

Privacy Act of 1974; Implementation

AGENCY: Office of the Secretary, DoD.

ACTION: Direct final rule with request for comments.

SUMMARY: The Office of the Secretary of Defense is exempting those records contained in DMDC 12 DoD, entitled “Joint Personnel Adjudication System (JPAS)”, when investigatory material is compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, military service, Federal contracts, or access to classified information, but only to the extent that such material would reveal the identity of a confidential source.

This direct final rule makes nonsubstantive changes to the Office of the Secretary Privacy Program rules. These changes will allow the Department to add an exemption rule to the Office of the Secretary of Defense Privacy Program rules that will exempt applicable Department records and/or material from certain portions of the Privacy Act. This change will allow the Department to move part of the Department’s personnel security program records from the Defense Security Service Privacy Program to the Office of the Secretary of Defense Privacy Program. This direct final rule is consistent with the rule previously published at 32 CFR 321.13(h) and another rule is being published to remove and reserve 321.13(h). This will improve the efficiency and effectiveness of DoD’s program by preserving the exempt status of the applicable records and/or material when the purposes underlying the exemption(s) are valid and necessary.

This rule is being published as a direct final rule as the Department of Defense does not expect to receive any adverse comments, and so a proposed rule is unnecessary.
