Draft Reading Assessment Framework for the 2025 National Assessment of Educational Progress

AGENCY: National Assessment Governing Board, U.S. Department of Education.

ACTION: Notice of opportunity for public comment for the Reading Assessment Framework for the 2025 National Assessment of Educational Progress (NAEP).

SUMMARY: The National Assessment Governing Board (Governing Board) is soliciting public comment for guidance in updating the Assessment Framework for the 2025 National Assessment of Educational Progress (NAEP) in Reading. Each NAEP subject area assessment is guided by a framework that defines the scope of the domain to be measured by delineating the knowledge and skills to be tested at each grade and subject, the format of the assessment, and the achievement level definitions—guiding assessments that are valid, reliable, and reflective of widely accepted professional standards. The NAEP Reading Assessment Framework was last revised in 2004. It is anticipated that the current update of the NAEP Reading Assessment Framework will be presented for approval at the National Assessment
