BILLING CODE 4910-06-P

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2011-0015]

Petition for Extension of Waiver of Compliance

Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that on April 7, 2022, Drake Switching Companies (DSC) petitioned the Federal Railroad Administration (FRA) for an extension of a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 223, Safety Glazing Standards—Locomotives, Passenger Cars and Caboose. The relevant FRA Docket Number is FRA-2011-0015.

Specifically, DSC requests relief from 49 CFR part 223 for one Shuttlewagon, DSC 601, for operations not exceeding 10 miles per hour over 4 miles of track owned by Drake Cement LLC in Arizona. In support of its petition, DSC states that there have been no accidents, incidents, or injuries to employees involving window glazing on the car since the waiver was granted.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the

appropriate docket number and may be submitted at <https://www.regulations.gov>. Follow the online instructions for submitting comments.

Communications received by June 27, 2022 will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable.

Anyone can search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the document, if submitted on behalf of an association, business, labor union, etc.). Under 5 U.S.C. 553(c), the U.S. Department of Transportation (DOT) solicits comments from the public to better inform its processes. DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at <https://www.transportation.gov/privacy>. BILLING CODE 4910-06-P

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2022-0029]

Petition for Waiver of Compliance

Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that on April 7, 2022, the Delaware-Lackawanna Railroad Co., Inc. (DL), petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 240 (Qualification and Certification of Locomotive Engineers) and part 242 (Qualification and Certification of Conductors). FRA assigned the petition Docket Number FRA-2022-0029.

Specifically, DL requests relief as part of its proposed implementation of and participation in FRA's Confidential Close Call Reporting System (C³RS) Program. DL seeks to shield reporting employees and the railroad from mandatory punitive sanctions that would otherwise arise as provided in 49

CFR 240.117(e)(1)-(4); 240.305(a)(1)-(4) and (a)(6); 240.307; 242.403(b), (c), (e)(1)-(4), (e)(6)-(11), (f)(1)-(2); and 242.407. The C³RS Program encourages certified operating crew members to report close calls and protects the employees and the railroad from discipline or sanctions arising from the incidents reported per the C³RS Implementing Memorandum of Understanding.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested parties desire an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted at <http://www.regulations.gov>. Follow the online instructions for submitting comments.

Communications received by June 27, 2022 will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable.
