## EXPORT-IMPORT BANK OF THE U.S.

[Public Notice 2012-0088]

### Agency Information Collection Activities: Final Collection; Comment Request

**AGENCY:** Export-Import Bank of the U.S.

**ACTION:** Submission for OMB Review and Comments Request.

**Form Title:** EIB 99-14 Export Import Bank Trade Reference form.

**SUMMARY:** The Export-Import Bank of the United States (Ex-Im Bank), as a part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal Agencies to comment on the proposed information collection, as required by the Paperwork Reduction Act of 1995.

Ex-Im Bank is requesting an emergency approval of Ex-Im Bank form EIB 99-14 Export Import Bank Trade Reference form. Export-Import (Ex-Im) Bank is requesting an emergency approval of form EIB 99-14, Trade Reference Form. This form provides essential credit information used by Ex-Im Bank credit officers when analyzing requests for export credit insurance/financing support, both short-term (360 days & less) & medium-term (longer than 360 days), for the export of their US goods and services. Additionally, this form is an integral part of the short-term Multi-Buyer export credit insurance policy for those policyholders granted foreign buyer discretionary credit limit authority (DCL). Multi-Buyer policy holders given DCL authority may use this form as the sole source or one piece among several sources of credit information for their internal foreign buyer credit decision in which, in turn, commits Ex-Im's guarantee.

Lack of an emergency approval of this form would greatly restrict our ability to support many of the export sales made by U.S. businesses. Ex-Im Bank and its Multi-Buyer policyholders use the Trade Reference Form approximately 6,500 times annually. Thus the Trade Reference Form is critical to Ex-Im Bank and in particular to over 2,300 Multi-Buyer policyholders during their foreign buyer credit review process. This would adversely impact Ex-Im Bank's ability to finance small business exporters and its overall mission to support U.S. exports and maintain U.S. jobs. Accordingly, Ex-Im Bank requests emergency approval of EIB 99-14 in order to continue operation of this important export program.

The form can be viewed at [www.exim.gov/pub/pending/eib99-14.pdf](http://www.exim.gov/pub/pending/eib99-14.pdf).

**DATES:** Comments should be received on or before July 2, 2012 to be assured of consideration.

**ADDRESSES:** Comments may be submitted electronically on [www.regulations.gov](http://www.regulations.gov) or by mail to Jean Fitzgibbon, Export Import Bank of the United States, 811 Vermont Ave. NW., Washington, DC 20571.
