DEPARTMENT OF DEFENSE

Department of the Army; Corps of Engineers

Notice of Intent To Prepare a Draft Environmental Impact Statement (EIS) for the Central Palm Beach County Comprehensive Erosion Control Project in Palm Beach County, FL

AGENCY: U.S. Army Corps of Engineers, Jacksonville District, DoD.

ACTION: Notice of Intent (NOI).

SUMMARY: The U.S. Army Corps of Engineers (Corps), Jacksonville District, intends to prepare a Draft Environmental Impact Statement (EIS) to address potential impacts associated with the construction of groins and segmented emergent breakwaters and placement of truck hauled sand along the coastline of the Towns of Palm Beach, South Palm Beach, Lantana, and Manalapan. The Corps will be evaluating a Department of the Army permit for the work under Section 10 of the Rivers and Harbors Act and Section 404 of the Clean Water Act. As part of the permit process, the Corps is

evaluating the environmental effects associated with construction of the breakwaters and groins and the sand placement. The Palm Beach County Department of Environmental Resources Management (County) is the permit applicant seeking to implement the Proposed Action.

The primary Federal involvement associated with the Proposed Action is the discharge of fill within Waters of the United States and the construction of breakwaters and groins within Navigable Waters of the United States. Because of the extensive hardbottom resources immediately adjacent to the beach, the high recreational uses of the project area, the potential to cause down drift erosion, and other environmental impacts including potential adverse effects to Federally listed species, the Corps will prepare an EIS in compliance with the National Environmental Policy Act (NEPA) to render a final decision on the County's permit application. The Corps' decision will be to either issue or deny a Department of the Army permit for the Proposed Action. The Draft EIS is intended to be sufficient in scope to address Federal, State, and local requirements and environmental issues concerning the Proposed Action and permit reviews.

DATES: A public scoping workshop will be held on, or about, May 27, 2010 from 4:30 p.m. to 8 p.m. EST.

ADDRESSES: The public scoping workshop will be held at the Town of South Palm Beach Town Hall, 3577 South Ocean Boulevard, South Palm Beach, Florida. The workshop will give agencies and the public an opportunity to receive more information on the Proposed Action, alternatives, and to provide comments and suggestions on the scope of the EIS.

FOR FURTHER INFORMATION CONTACT: Questions about the Proposed Action and Draft EIS should be directed to Mr. Eric Reusch, Corps Regulatory Project Manager, by telephone at (561) 472-3529 or by e-mail at

Eric.G.Reusch@usace.army.mil. Written comments should be addressed to the U.S. Army Corps of Engineers, Attn: Mr. Eric Reusch, 4400 PGA Boulevard, Suite 500, Palm Beach Gardens, Florida 34410 or by facsimile at (561) 626-6971.
