SUPPLEMENTARY INFORMATION: Section 1137(d) and (e) of the Social Security Act (SSA) authorize this information collection. This information collection permits DOL to comply with its responsibilities under the SSA to gather information from state agencies concerning alien claimant activities. The ETA 9016 report allows DOL to determine the number of aliens filing for unemployment insurance (UI), the

From these data, DOL can determine the extent to which state agencies use the system, and the overall effectiveness and cost efficiency of the USCIS SAVE verification system. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on May 12, 2020 (85 FR 28037).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal.
