III. Proposed Prevailing Wage Rates

The table below provides the current and proposed prevailing wage rates for construction occupations on Guam, as

provided by the GDOL to USCIS on January 10, 2010.⁵ The currently approved construction wage rates, which were based on 2007/2008 BLS data, will remain in effect until any new prevailing wage rates are approved by USCIS. USCIS intends to publish the

prevailing wage rates it approves in the same **Federal Register** notice that announces the approved system for determining prevailing wages, working conditions, and availability of U.S. resident workers.

IV. Comments

USCIS welcomes comments from the public regarding:

- The current system for determining prevailing wage rates for construction occupations on Guam and the proposed prevailing wage rates that were calculated by the current system; and
- Whether this system adequately reflects a balance of the interests of all affected members of the regulated public.

Alejandro N. Mayorkas,

Director, U.S. Citizenship and Immigration Services.

⁵ The BLS has recently released new wage rate data, available at <http://www.bls.gov/bls/>

[blswage.htm](#), for the half year period beginning July 2010.

SUPPLEMENTARY INFORMATION:

Background: On December 29, 2010, BOEMRE published in the **Federal Register** the RFI in Commercial Wind Energy Leasing Offshore Massachusetts inviting submissions describing commercial leasing interest and providing comments and information pertaining to the RFI area (75 FR 82055). The RFI, requested submissions by February 28, 2011.

Because of requests received from the public and the Commonwealth of Massachusetts, we are hereby reopening the comment period until April 18, 2011. As stated in the RFI published December 29, 2010, BOEMRE will use the responses to this RFI to gauge specific interest in commercial development of OCS wind resources in the area described, as required by 43 U.S.C. 1337(p)(3). Parties wishing to obtain a commercial lease for a wind energy project should submit detailed and specific information as described in the section entitled, "Required Indication of Interest Information." Also, with this announcement, BOEMRE invites all interested and affected parties to comment and provide information—including information about multiple uses of the area, environmental issues and data—that will be useful in the consideration of the RFI area for commercial wind energy leasing. Please refer to the RFI, published in the **Federal Register** on December 29, 2010, (75 FR 82055) for further information. Comments already submitted on the RFI need not be resubmitted.

Dated: March 8, 2011.
