Disulfoton Registration Review Decision; Notice of Availability

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces the availability of EPA's registration review decision for the pesticide disulfoton, case 0102. Registration review is EPA's periodic review of pesticide registrations to ensure that each pesticide continues to satisfy the statutory standard for registration, that is, that the pesticide can perform its intended function without causing unreasonable adverse effects on human health or the environment. Through this program, EPA is ensuring that each pesticide's registration is based on current scientific and other knowledge, including its effects on human health and the environment.

II. Background

A. What Action is the Agency Taking?

Pursuant to 40 CFR 155.58(c), this notice announces the availability of EPA's registration review decision for disulfoton, case 0102. Disulfoton is an organophosphate insecticide used in agricultural settings on a variety of food and non-food/non-feed crops and in residential settings on ornamentals.

Pursuant to 40 CFR 155.57, a registration review decision is the Agency's determination whether a pesticide meets, or does not meet, the standard for registration in FIFRA. EPA has considered disulfoton in light of the FIFRA standard for registration. The Disulfoton Decision document in the docket describes the Agency's rationale for issuing a registration review decision for this pesticide.

In addition to the registration review decision document, the registration review docket for disulfoton also includes other relevant documents related to the registration review of this case. The proposed registration review decision was announced on October 23, 2009, and the public was invited to submit any comments or new information. During the 60-day comment period, no public comments were received.

Background on the registration review program is provided at: http://www.epa.gov/oppsrd1/registration_review. Links to earlier documents related to the registration
