

Limited.² The rule further requires covered financial institutions to apply due diligence to their correspondent accounts that is reasonably designed to guard against their indirect use by Banco Delta Asia. See 31 CFR 1010.655.

Information Collection Under the Fifth Special Measure

The notification requirement in section 1010.655(b)(2)(i)(A) is intended to aid cooperation from correspondent account holders in denying Banco Delta Asia, including its subsidiaries Delta Asia Credit Limited and Delta Asia Insurance Limited, access to the U.S. financial system. The information required to be maintained by section 1010.655(b)(3)(i) will be used by federal agencies and certain self-regulatory organizations to verify compliance by covered financial institutions with the provisions of 31 CFR 1010.655.

II. Paperwork Reduction Act (PRA)

Title: Renewal of Information Collection Requirements in connection with the Imposition of a Special Measure concerning Banco Delta Asia, including its subsidiaries Delta Asia Credit Limited and Delta Asia Insurance Limited, as a financial institution of Primary Money Laundering Concern.

Office of Management and Budget (OMB) Control Number: 1506–0045.

Abstract: FinCEN is issuing this notice to renew the OMB control number for the imposition of a special measure concerning Banco Delta Asia, including its subsidiaries Delta Asia Credit Limited and Delta Asia Insurance Limited, as a financial institution of primary money laundering concern pursuant to the authority contained in 31 U.S.C. 5318A. See 31 CFR 1010.655.

Type of Review: Renewal without change of a currently approved collection.

Affected Public: Businesses and certain not-for-profit institutions.

Frequency: One time notification. See 31 CFR 1010.655(b)(2)(i)(A) and 1010.655(b)(3)(i).

Estimated Number of Respondents: 23,615.³

Estimated Time per Respondent: 1 hour.

Estimated Total Annual Burden: 23,615 hours.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. Records required to be retained under the BSA must be retained for five years. Generally, information collected pursuant to the BSA is confidential, but may be shared as provided by law with regulatory and law enforcement authorities.

When the final rule was published in March 2007, the number of financial institutions affected by the rule was estimated at 5,000. FinCEN has since revised the estimated number of affected financial institutions upward to account for all domestic financial institutions that could potentially maintain correspondent accounts for foreign banks, and recognizing that, under the final rule, covered financial institutions are required to apply due diligence to their correspondent accounts that is reasonably designed to guard against their indirect use by Banco Delta Asia..

There are approximately 23,615 such financial institutions doing business in the United States. As noted, this revision should not have a significant impact on a substantial number of small entities.

Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance and purchase of services to provide information.
