

which provides that MSRB's rules shall be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in municipal securities, to remove impediments to and perfect the mechanism of a free and open market in municipal securities, and, in general, to protect investors and the public interest.

In the Commission's view, the inclusion of credit rating and related information provided by NRSROs agreeing to provide such information for display on the EMMA Web site should serve to promote the statutory mandate of the MSRB to protect investors and the public interest. Although credit rating information is just one of many factors to consider in making an investment decision and in evaluating the credit worthiness and value of existing municipal securities holdings, the proposed rule change would make such information more easily accessible on an equal basis to all participants in the municipal securities market, including in particular retail investors in municipal securities who do not normally have access to information services customarily used by professional market participants. The proposal will become effective on a date to be announced by the MSRB in a notice published on the MSRB Web site, which date shall be no later than October 13, 2011 and shall be announced no later than five business days before the effective date.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁵⁰ that the proposed rule change (SR-MSRB-2010-03), be, and hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁵¹

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-63088; File No. SR-MSRB-2010-11]

Self-Regulatory Organizations; Municipal Securities Rulemaking Board; Notice of Filing and Immediate Effectiveness of Amended and Restated Articles of Incorporation of Municipal Securities Rulemaking Board

October 13, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("the Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 1, 2010, the Municipal Securities Rulemaking Board ("Board" or "MSRB") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the MSRB. The MSRB has filed the proposal pursuant to Section 19(b)(3)(A)(iii) of the Act,³ and Rule 19b-4(f)(3) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The MSRB filed with the Commission a proposed rule change consisting of an Amended and Restated Articles of Incorporation.

The text of the proposed rule change is available on the MSRB's Web site at <http://www.msrb.org/msrb1/sec.asp>, at the MSRB's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the MSRB included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Board has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to make changes to the MSRB's Articles of Incorporation as are necessary and appropriate in order to comply with Section 15B of the Act, as amended by the Dodd-Frank Wall Street Reform and Consumer Protection Act⁵ (the "Dodd-Frank Act"), and to reflect its expanded mission and rulemaking authority. On July 21, 2010, the Dodd-Frank Act, was signed into law by President Obama. This comprehensive financial reform legislation contains various provisions that affect the governance and mandate of the MSRB. The effective date of these provisions is October 1, 2010, which coincides with the first day of the MSRB's 2011 fiscal year. Regarding the jurisdiction of the MSRB, the Dodd-Frank Act, for the first time, provides the MSRB with rulemaking authority over municipal advisors. The proposed amendments to the Articles of Incorporation reflect the expanded jurisdiction of the MSRB and, therefore, delete specific references to brokers, dealers, and municipal securities dealers. Rather, the Articles of Incorporation refer generally to Section 15B of the Act, which is modified by the Dodd-Frank Act, effective October 1, 2010, and the obligations of the Board under the Act. Additionally, the Articles of Incorporation now provide that Board members elected for fiscal year 2011 will have two year terms and all other Board members will have three year terms to reflect the new, expanded composition of the Board and the terms of office for Board members. Finally, the changes to the Purpose section reflect the evolving role of the MSRB as a self-regulatory organization in providing education, outreach and market leadership regarding issues that impact the municipal securities market. The MSRB is a Virginia nonprofit, nonstock corporation, and the Amended and Restated Articles of Incorporation have been filed concurrently with the State Corporation Commission of the Commonwealth of Virginia.

2. Statutory Basis

The MSRB believes that the proposed rule change to its Articles of Incorporation are [sic] necessary and appropriate in order to comply with Section 15B of the Act, as amended by

the Dodd-Frank Act, as more fully described above.

B. Self-Regulatory Organization's Statement on Burden on Competition

The MSRB does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act, since it solely concerns the administration of the MSRB.

C. Self-Regulatory Organization's Statement on Comments Received on the Proposed Rule Change by Members, Participants, or Others

Written comments were neither solicited nor received on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁶ and Rule 19b-4(f)(3)⁷ thereunder, because it is concerned solely with the operation and administration of the MSRB. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.⁸
