Proposal To Approve Under OMB Delegated Authority the Extension for Three Years, Without Revision, of the Following Report

Report title: Notifications Related to Community Development and Public Welfare Investments of State Member Banks.

Agency form number: FR H-6.

OMB control number: 7100-0278.

Frequency: Event-generated.

Respondents: State member banks.

Estimated number of respondents: Post Notification, 20; Application (Prior Approval), 71; and Extension of divestiture period, 1.

Estimated average hours per response: Post Notification, 2 hours; Application (Prior Approval) 5 hours; and Extension of divestiture period, 5 hours.

Estimated annual burden hours: Post Notification, 40 hours; Application (Prior Approval) 355 hours; and Extension of divestiture period, 5 hours.

General Description of Report: Regulation H requires state member banks planning to make community development or public welfare investments to comply with the Regulation H notification requirements: (1) If the investment does not require prior Board approval, a written notice must be sent to the appropriate Federal Reserve Bank; (2) if certain criteria are not met, and the investment requires prior Board approval, a request for

approval must be sent to the appropriate Federal Reserve Bank; and, (3) if the Board orders divestiture, but the bank cannot divest within the established time limit, a request or requests for extension of the divestiture period must be submitted to the appropriate Federal Reserve Bank.

Legal authorization and confidentiality: The Board's Legal Division has determined that the public welfare investment notice, request for approval, and request for extension of the divestiture period are authorized by the Federal Reserve Act, (12 U.S.C. 338a), and by the Board's Regulation H, (12 CFR 208.22). The obligation of state member banks to make public welfare investments under both the Reserve Bank post-notice and the Board's prior approval procedure is mandatory. The request for extension of the divestiture period is required to obtain a benefit. Individual respondent data generally are not regarded as confidential. However, a bank that submits confidential proprietary information may request confidential treatment of that information pursuant to section (b)(4) of the Freedom of Information Act (FOIA) (5 U.S.C. 552(b)(4)). Such a determination would be made on a case-by-case basis in response to a specific request for disclosure. If examination ratings are included in a submission, those will be considered confidential under exemption 8 of the FOIA, (5 U.S.C. 552(b)(8)).

Consultation outside the agency:

Given that most community development entities obtain funding from a variety of local and regional financial institutions, Board staff consults with other agencies' staff to discuss applications relating to such investments, as appropriate.

Board of Governors of the Federal Reserve System, August 8, 2017.

Ann E. Misback,

Secretary of the Board.
