

TABLE 1—BURDEN ESTIMATES FOR SET EVALUATION DATA COLLECTION EFFORTS—Continued

Respondents	Number of responses/instances of collection	Frequency of collection	Average time per response (minutes)	Burden (hours)	Burden cost ^a
Self-employment advisors	24 respondents with 225 total cases ^e .	Once	20	75	2,540
<i>Total for Program Participation Records.</i>				825	27,943
12-Month Follow-Up Survey:					
Successful applicants who went through random assignment.	2,400 ^f	Once	60	2,400	39,912
Site Visits: ^g					
Self-employment advisors and other staff at SET Demonstration partner providers.	24	Twice	90	72	2,439
OSCC administrators and case managers.	16	Twice	90	48	1,378
Other staff at organizations providing support for the demonstration.	24	Twice	90	72	2,066
<i>Total for Site Visits</i>				192	5,883
Case Study Interviews:					
Selected members of the program group completing follow-up surveys.	32	Once	60	32	532
<i>Total Burden</i>				5,549	107,530

^a As noted in the main text, burden cost calculations assume wage rates of (1) \$16.63 per hour among potential applicants and participants in the SET Demonstration; (2) \$33.87 per hour among self-employment advisors; and (3) \$28.70 per hour among staff at OSCCs and other staff at organizations providing support for the demonstration.

^b Although eligibility criteria will be explicitly outlined in publicity materials and orientation sessions for the program, it is assumed that approximately one in four applicants will be determined to be ineligible and, therefore, screened out. Thus, it is anticipated that 4,000 applications will be collected in order to enroll 3,000 study members.

^c Each of the 1,500 members of program group will be tracked by one of 24 self-employment advisors.

^d Given a one-year service period, it is expected that 10 monthly tracking reports per case, on average, will be received based on the following assumptions: (1) 5 percent of the program group will drop out of the demonstration within the first month after random assignment, and (2) another 15 percent will have services terminated and be referred back to an OSCC by SET self-employment advisors within the first four months after random assignment.

^e An expected total of 225 service terminations will be initiated by one of 24 self-employment advisors.

^f This figure assumes that the follow-up survey will achieve a response rate of 80 percent.

^g The burden estimates for each site visit respondent include (1) time coordinating with the study team and preparing for the interview and (2) participating in the on-site meeting.

Comments submitted in response to this notice will be summarized and may be included in the request for Office of Management and Budget approval of the final information collection request. The comments will become a matter of public record.

Signed in Washington, DC this Tuesday of June 12, 2012.

SUMMARY: This Notice announces a change in the location where applications for temporary labor certification programs will be filed and/or are being processed.

DATES: This notice is effective on August 2, 2012.

SUPPLEMENTARY INFORMATION:

I. Background

The Office of Foreign Labor Certification (OFLC) provides national leadership and policy guidance, and develops regulations and procedures to carry out the responsibilities of the Secretary of Labor under the Immigration and Nationality Act (INA) concerning foreign workers seeking

admission to the United States (U.S.) in order to work under the labor certification programs authorized by the INA. In carrying out its statutory responsibility, OFLC administers both temporary nonimmigrant labor certification programs and the permanent immigrant labor certification program. The Secretary of Labor issues certifications in connection with several nonimmigrant visa programs as well as the permanent program. To obtain a labor certification under most labor certification programs administered by OFLC, employers must demonstrate that there are insufficient U.S. workers available, willing, and qualified to perform the work, and that the wage offered to the foreign worker(s) will not adversely impact U.S. workers similarly employed. These labor certification activities are carried out in two National Processing Centers (NPC), one in Atlanta, GA and one in Chicago, IL. The Chicago NPC is responsible for adjudicating all employer applications for temporary labor certification under the H-1B, H-1B1, E-3, H-2A, H-2B, and D-1 programs.

The purpose of this Notice is to inform the public about a change of address for the Chicago NPC. The address change will be effective as of the effective date of this Notice. On that date, the Chicago NPC should be fully functional in the new location. For 3 weeks after that date, the Chicago NPC will receive via courier all written correspondence submitted to their former address. This is to ensure a smooth transition and allow all interested parties to commence using the new address. On August 23, 2012, the courier will cease to operate and all submissions to the former address of the Chicago NPC will be returned to the sender. From the effective date of this notice, the address for the collection of H-2A fees should also be used for the submission of these fees.
