Columbia Gulf Transmission Company; Notice of Negotiated Rate Filing

August 8, 2001.

Take notice that on July 31, 2001, Columbia Gulf Transmission Company (Columbia Gulf) tendered for filing the following contract for disclosure of a recently negotiated rate transaction:

FTS-2 Service Agreement between Columbia Gulf Transmission Company and Duke Energy Trading and Marketing, L.L.C. dated July 30, 2001

Transportation service is to commence August 1, 2001 under the Agreement.

Columbia Gulf states that copies of the filing has been served on all parties identified on the official service list in Docket No. RP96-389.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party

must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the instructions (call 202-208-2222 for assistance). Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the "e-Filing" link.

[Docket No. ER01-1836-000]

Community Energy, Inc.; Notice of Issuance of Order

August 8, 2001.

Community Energy, Inc. (Community Energy) submitted for filing a rate schedule under which Community Energy will engage in wholesale electric power and energy transactions at market-based rates. Community Energy also requested waiver of various Commission regulations. In particular, Community Energy requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by Community Energy.

On June 12, 2001, pursuant to delegated authority, the Director, Division of Corporate Applications, Office of Markets, Tariffs and Rates, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Community Energy should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request to be heard in opposition within this period, Community Energy is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any

security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Community Energy and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Community Energy's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is September 7, 2001.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the instructions (call 202-208-2222 for assistance). Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the "e-Filing" link.

David P. Boergers,
Secretary.

[Docket No. RP01-494-000]

Dominion Transmission, Inc.; Notice of Tariff Filing

August 8, 2001.

Take notice that on July 31, 2001, Dominion Transmission Inc. (DTI) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, First Revised Sheet No. 1000 and First Revised Sheet No. 1162, with an effective date of September 1, 2001.

DTI states that the purpose of this filing is to modify DTI's tariff to provide for a general waiver of the "shipper must have title rule" in the event DTI is transporting gas for others on acquired off-system capacity and to include a general statement that DTI will only transport for others using off-system capacity pursuant to its existing tariff and rates. DTI states that it is also making other, related changes to update Section 25 of the General Terms and Conditions of its FERC Gas tariff.
