The National Institutes of Health may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Proposed Collection: Title: A Follow-up Survey of National Cancer Institute Science Enrichment Program Students. Type of Information Collection Request: New. Need and Use of Information Collection: This survey will investigate the long-term effects of the National Cancer Institute's Science Enrichment Program. The primary objective of the survey is to determine if past NCI SEP student participants are pursuing science education and science careers. The findings will provide information regarding the effectiveness of the program and will inform decisions about continuing and expanding the program. Frequency of Response: One time. Affected Public: Individuals. Type of Respondents: Young adults (18–23 years old). The annual reporting burden is as follows: Estimated Number of Respondents: 448; Estimated Number of Responses per Respondent: 1; Average Burden Hours Per Response: .2500; and Estimated Total Annual Burden Hours Requested: 112. The annualized cost to respondent is estimated at \$4,480. There are no Capital Costs, Operating Costs and/or Maintenance Costs to report.

Request for Comments: Written comments and/or suggestions from the public and affected agencies are invited on one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Direct Comments to OMB: Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Office of Management and Budget, Office of

Regulatory Affairs, New Executive Office Building, Room 10235, Washington, DC 20530, Attention: Desk Officer for NIH. To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, contact Mr. Frank Jackson, Office of Special Populations Research, National Cancer Institute, National Institutes of Health, Executive Plaza South, Room 320, 6120 Executive Boulevard, Rockville, MD 20852, or call non-toll-free number (301) 496–8589, or E-mail your request, including your address to fj12i@nih.gov

Comments Due Date: Comments regarding this information collection are best assured of having their full effect if received within 30 days of the date of this publication.

Dated: May 6, 2002.

Notice of Intent To Prepare an Environmental Impact Statement to Analyze the Proposed Pediment Plan of Operations

AGENCY: Bureau of Land Management, Interior.

COOPERATING AGENCIES: Nevada Division of Wildlife.

ACTION: Notice of Intent to Prepare an Environmental Impact Statement to analyze the Proposed Pediment Project Plan of Operations for Cortez Gold Mines and notice of public scoping meetings.

SUMMARY: Pursuant to section 102(2)(c) of the National Environmental Policy Act of 1969 (NEPA), 40 Code of Federal Regulations 1500–1508 Council on

Environmental Quality Regulations, and 43 Code of Federal Regulations 3809, the Bureau of Land Management's Battle Mountain Field Office will be directing the preparation of a third-party Environmental Impact Statement (EIS) to analyze a proposed new open pit, heap leach facility, and ancillary facilities. The project will involve public and private lands in Lander County, Nevada.

DATES: Written comments must be postmarked or otherwise delivered by 4:30 p.m. on June 24, 2002. Comments may also be presented at public meetings to be held:

June 5, 2002 (7–9 p.m.), Community Center in Crescent Valley, NV
June 6, 2002 (7–9 p.m.) BLM Battle Mountain Field Office, Battle Mountain, NV

ADDRESSES: Written comments should be addressed to the Bureau of Land Management, Battle Mountain Field Office, Attention: Pam Jarnecke, 50 Bastian Road, Battle Mountain, Nevada 89820.

FOR FURTHER INFORMATION CONTACT: Pam Jarnecke, Battle Mountain BLM, at (775) 635–4144.

SUPPLEMENTARY INFORMATION: The purpose of these meetings is to identify potentially significant issues to be addressed in the EIS, to determine the scope of issues to be addressed, to identify viable alternatives, and to encourage public participation in the NEPA process. Additional briefings will be considered, as appropriate.

Comments, including names and street addresses of respondents, will be available for public review at the Battle Mountain Field Office located in Battle Mountain, Nevada, during regular business hours, and may be published as part of the EIS. Individual respondents may request confidentiality. If you wish to withhold your name or street address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law. All submissions from organizations and businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be available for public inspection in their entirety.

Cortez Gold Mines has submitted a proposal to develop a mining facility approximately 40 miles south of Beowawe in Lander County, Nevada. The proposed mining development would involve 1,766 acres of disturbance including a new open pit, a

new heap leach facility, new waste rock dumps, widening a portion of the Horse Canyon haul road to 150 feet, and relocation of a portion of the county road that is within the project area.
