CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

Notice of Availability of Funds for AmeriCorps*VISTA Program Grants in the Southwest Cluster

AGENCY: Corporation for National and Community Service.

ACTION: Notice of funding availability.

SUMMARY: The Corporation for National and Community Service (hereinafter the "Corporation") announces the availability of approximately \$1,200,000 in fiscal year 2003 funds to award AmeriCorps*VISTA program grants to eligible nonprofit and public organizations providing services in the Corporation's Southwest cluster (AR, AZ, CO, KS, LA, MO, NM, OK, TX).). Applicant organizations are not required to be geographically-based in the nine-state southwest cluster, so long as the proposed grant activities will provide services within one or more of those nine states. The Corporation anticipates making between 5 and 8 AmeriCorps*VISTA program grants under this announcement. Each grant budget will support a minimum of 15 and a maximum of 40 AmeriCorps*VISTA members on a full-time basis for one year of service. The Corporation will make awards covering a period not to exceed one year with a potential for an additional two years of funding, contingent upon satisfactory performance, the availability of funds, and other criteria established in the award agreement. These estimates are projections for the guidance of potential applicants. The Corporation is not bound by any estimate in this notice. Publication of this announcement does not obligate the Corporation to award any specific number of grants or to obligate the entire amount of funds available, or any part thereof, for grants under the AmeriCorps*VISTA program.
