DATES: An emergency review has been requested in accordance with the Act (44 U.S.C. Chapter 3507(j)), since public harm is reasonably likely to result if normal clearance procedures are followed. Approval by the Office of Management and Budget (OMB) has been requested by May 1, 2009.

ADDRESSES: Written comments regarding the emergency review should be addressed to the Office of Information and Regulatory Affairs, Attention: Education Desk Officer, Office of Management and Budget; 725 17th Street, NW., Room 10222, New Executive Office Building, Washington, DC 20503 or e-mailed to oir_submission@omb.eop.gov or faxed to (202) 395-6974.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Director of OMB provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The Office of Management and Budget (OMB) may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, publishes this notice containing proposed information collection requests at the beginning of the Departmental review of the information collection. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. Title: State Fiscal Stabilization Fund MOE Guidance.

Abstract: This guidance supplements the April 2009 Guidance on the State Fiscal Stabilization Fund program and provides additional information on the statutory maintenance-of-effort (MOE) requirements and the process through which a State applies for an MOE waiver.

Additional Information: ED is requesting that the Office of Management and Budget (OMB) approves this information request on an emergency basis, by May 1, 2009. Since the passage of ARRA, OESE staff has worked with ED's Budget Service and the Office of General Counsel to develop a guidance that meets the intent and purposes of the Stabilization program. Using the regular clearance process would put ED well past the 120-day mark for awarding the Stabilization funds that are specified in the Act, which would clearly go against Congress' intent. Not approving this emergency request would cause harm to many States and the students they serve and would delay ED's ability to award the funds to some States in a timely manner.

Burden Hours: 13,168.

Abstract: This is a request to extend by one year the expiration date for the data collection instruments for the Impact Evaluation of a School-Based Violence Prevention Program so that data collection can be completed. Both a curriculum-based program and a whole-school program are being implemented together so that the impact of a hybrid model of school-based violence prevention can be tested, as was recommended by experts in the field of school-based violence prevention. The beginning of data collection was delayed due to difficulty in site recruitment. The extension will allow the contractor to complete the third and final year of extent data collection.
