nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on January 22, 2002, at the U.S. International Trade Commission Building. Oral testimony and written materials to be submitted at the public hearing are governed by §§ 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 days prior to the date of the hearing.

Written Submissions

Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of § 207.23 of the Commission's rules; the deadline for filing is January 17, 2002. Parties may also file written testimony in connection with their presentation at the hearing, as provided in § 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of § 207.25 of the Commission's rules. The deadline for filing posthearing briefs is January 31, 2002; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations on or before January 31, 2002. On February 21, 2002, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before February 25, 2002, but such final comments must not contain new factual information and must otherwise comply with § 207.30 of the Commission's rules. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means.

In accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.21 of the Commission's rules.

By order of the Commission. Issued: November 26, 2001.

Donna R. Koehnke,

Secretary.

NUCLEAR REGULATORY COMMISSION

[Docket No. 50-247, License No. DPR-26]

Entergy Nuclear Operations, Inc.; Notice of Issuance of Director's Decision Under 10 CFR 2.206

Notice is hereby given that the Director, Office of Nuclear Reactor Regulation, has issued a Director's Decision with regard to a Petition dated December 4, 2000, filed by Deborah Katz, Marilyn Elie, Tim Judson, Kyle Rabin, Mark Jacobs, Paul Gunter, and Jim Riccio, hereinafter referred to as the "Petitioners." The Petition was supplemented on January 24, 2001. The Petition concerns the operation of the Indian Point Nuclear Generating Unit No. 2 (IP2).

The Petitioners requested that the Nuclear Regulatory Commission (NRC) take the following enforcement-related actions against Consolidated Edison of New York (ConEd, or the licensee) for IP2: (1) Suspend the license for the IP2 reactor because of the licensee's "persistent and pervasive, negligent management of the reactor," (2) investigate whether the potential misrepresentation of material fact by the utility regarding "significantly insufficient" engineering calculations was due to a lack of rigor and thoroughness or was deliberate, (3) revoke the IP2 operating license if it is found that the licensee deliberately provided insufficient and false information, (4) if the license is not revoked, maintain IP2 on the list of "agency focus" plants until management demonstrates it can fulfill its regulatory requirements and commitments, (5) not approve the transfer of the IP2 license until management can demonstrate that the Updated Final Safety Analysis Report (UFSAR), the condition report backlog, and the maintenance requirements are up to date and workers have been retrained, and (6) not allow the IP2 reactor to restart until the fundamental breakdown in management is analyzed and corrected. The Petitioner also requested that a public meeting be held to discuss this matter.

As the basis for the December 4, 2000, request, the Petitioners stated that the licensee's systemic mismanagement of
