Abstract: In 1999, the federal government funded a major effort toward increasing teacher quality through the State Grants Program and Teacher Recruitment Grants Program. Together, the programs allow states, institutions of higher education, and/or local education agencies to increase the quality of the teacher workforce through certification reform, recruitment efforts, alternative certification routes, and accountability measures. This evaluation looks at both programs to determine how federal funds were spent, what issues arose in implementing the programs, and the impact of the programs.

The Secretary is particularly interested in applications that meet one or more of the following invitational priorities. However, an application that meets one or more of these invitational

priorities does not receive competitive or absolute preference over other applications (34 CFR 75.105(c)(1)).

Invitational Priority 1—Projects that achieve economies of scale by delivering programs over large geographic regions covering more students, faculty and institutions; and by promoting cost-sharing, resource sharing, and faculty collaboration across institutions.

Invitational Priority 2—Projects that develop high quality, interactive software that is both modular or sufficiently flexible for faculty modification of academic content, as well as portable for wide-scale implementation across institutions.

Invitational Priority 3—Projects that package courses and programs to assist students in accessing the offerings of multiple providers and to assist institutions in cooperating and sharing resources.

Invitational Priority 4—Projects that use skill competencies and learning outcomes to measure student progress and achievement in asynchronous distance learning programs.

Invitational Priority 5—Projects that improve quality and accountability of asynchronous distance education, thereby ensuring that credentials are meaningful, providers are accountable, and courses meet high standards.

Invitational Priority 6—Projects that create new asynchronous distance education opportunities for underserved learners, especially those who have not always been well served by traditional campus-based education or common forms of distance education, including: individuals with disabilities; individuals who have lost their jobs; individuals making the transition from welfare to the workforce; and individuals seeking basic or technical skills or their first postsecondary education experience.

Invitational Priority 7—Projects that improve support services for students seeking asynchronous distance education to ensure that they have complete and convenient access to needed services such as registration, financial aid, advising, assessment, counseling, libraries, and many others.

Invitational Priority 8—Projects that remove or revise institutional, system, State, or other policies, which are barriers to the implementation of new types of asynchronous distance education.

The Secretary selects from the criteria in 34 CFR 75.210 to evaluate preapplications and applications for this competition. Under 34 CFR 75.201, the

Submission of Data by State Educational Agencies

AGENCY: National Center for Education Statistics, Department of Education.

ACTION: Notice of dates of submission of State revenue and expenditure reports for fiscal year 2000 and of revisions to those reports.

SUMMARY: The Secretary of Education announces dates for the submission by State educational agencies (SEAs) of expenditure and revenue data and average daily attendance statistics on ED Form 2447 (the National Public Education Financial Survey) for fiscal year (FY) 2000. The Secretary sets these dates to ensure that data are available to serve as the basis for timely distribution of Federal funds. The U.S. Bureau of the Census is the data collection agent for the Department's National Center for Education Statistics (NCES). The data will be published by NCES and will be used by the Secretary in the calculation of allocations for FY 2002 appropriated funds.

DATES: The date on which submissions will first be accepted is March 15, 2001. The mandatory deadline for the final submission of all data, including any revisions to previously submitted data, is September 4, 2001.

ADDRESSES: SEAs may mail ED Form 2447 to: Bureau of the Census, ATTENTION: Governments Division, Washington, DC 20233-6800.

Alternatively, SEAs may hand deliver submissions by 4 p.m. (Eastern Time) to: Governments Division, Bureau of the Census, 8905 Presidential Parkway, Washington Plaza II, Room 508, Upper Marlboro, MD 20772.

If an SEA's submission is received by the Bureau of the Census after September 4, 2001 in order for the

submission to be accepted, the SEA must show one of the following as proof that the submission was mailed on or before the mandatory deadline date:

1. A legibly dated U.S. Postal Service postmark.
 2. A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
 3. A dated shipping label, invoice, or receipt from a commercial carrier.
 4. Any other proof of mailing acceptable to the Secretary.
- If the SEA mails ED Form 2447 through the U.S. Postal Service, the Secretary does not accept either of the following as proof of mailing:
1. A private metered postmark.
 2. A mail receipt that is not dated by the U.S. Postal Service.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, an SEA should check with its local post office.

FOR FURTHER INFORMATION CONTACT: Mr. Lawrence R. MacDonald, Chief, Bureau of the Census, ATTENTION: Governments Division, Washington, DC 20233-6800. Telephone: (301) 457-1574. If you use a telecommunications device for the deaf (TDD), you may call the Federal Information Relay Service (FIRS) at 1-800-877-8339.

Individuals with disabilities may obtain this document in an alternative format (e.g., Braille, large print, audiotope, or computer diskette) on request to: Frank Johnson, National Center for Education Statistics, U.S. Department of Education, Washington, DC 20208-5651. Telephone: (202) 502-7362.

SUPPLEMENTARY INFORMATION: Under the authority of section 404(a) of the National Education Statistics Act of 1994 (20 U.S.C. 9003(a)), which authorizes NCES to gather data on the financing of education, NCES collects data annually from SEAs through ED Form 2447. The report from SEAs includes attendance, revenue, and expenditure data from which NCES determines the average state per pupil expenditure (SPPE) for elementary and secondary education, as defined in the Elementary and Secondary Education Act of 1965 (ESEA) (20 U.S.C. 8801(12)).

In addition to using the SPPE data as useful information on the financing of elementary and secondary education, the Secretary uses these data directly in calculating allocations for certain formula grant programs, including Title I of the Elementary and Secondary Education Act of 1965 as amended by the Improving America's Schools Act of 1994 (Title I), Impact Aid, and Indian Education.
