**SUPPLEMENTARY INFORMATION:****Background**

On November 29, 2021, Commerce published a notice of initiation of an administrative review of the countervailing duty order on stainless steel flanges from India.<sup>1</sup>

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.<sup>2</sup> A list of topics discussed in the Preliminary Decision Memorandum is included at Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

**Scope of the Order**

The merchandise covered by the Order is stainless steel flanges from India. For a complete description of the scope of the Order, see the Preliminary Decision Memorandum.

**Methodology**

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily find that there is a subsidy, *i.e.*, a financial contribution that gives rise to a benefit to the recipient, and the subsidy is specific.<sup>3</sup> For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

**Companies Not Selected for Individual Review**

The Act and Commerce's regulations do not directly address the subsidy rate
