

Guidance for Industry on How to Submit Information in Electronic Format to the Center for Veterinary Medicine Using the FDA Electronic Submission Gateway—21 CFR 11.2 (OMB Control Number 0910-0454)—Extension)

CVM accepts certain types of submissions electronically with no

requirement for a paper copy. These types of documents are listed in public docket 97S-0251 as required by 21 CFR 11.2. CVM's ability to receive and process information submitted electronically is limited by its current information technology capabilities and the requirements of the Electronic Records; Electronic Signatures final regulation. CVM's guidance entitled

"Guidance for Industry: How to Submit Information in Electronic Format to CVM Using the FDA Electronic Submission Gateway" outlines general standards to be used for the submission of any information by e-mail.

The likely respondents are sponsors for new animal drug applications.

FDA estimates the burden of this collection of information as follows:

TABLE 1.—ESTIMATED ANNUAL REPORTING BURDEN¹

21 CFR Section/FDA Form 3538	No. of Respondents	Annual Frequency per Response	Total Annual Responses ²	Hours per Response	Total Hours
11.2	40	1.3	52	.08	4.2

¹ There are no capital costs or operating and maintenance costs associated with this collection of information.

² Electronic submissions received between July 1, 2005, and June 30, 2006.

The number of respondents in table 1 of this document is the number of sponsors registered to make electronic submissions (40). The number of total annual responses is based on a review of the actual number of such submissions made between January 1, 2008 and December 31, 2008, (52 x hours per response (.08) = 4.2 total hours).

Dated: January 29, 2010.

David Dorsey,

Acting Deputy Commissioner for Policy, Planning and Budget.
