

SUPPLEMENTARY INFORMATION: This invention regulates the release of discharge water from dredged material containment sites through the use of a circular weir. It selectively releases only the relatively clean water while leaving behind the contaminated portion. The weir includes a foundation that is anchored to the bottom of the body of water and connected with a discharge pipe, a cylindrical telescoping portion connected with the discharge pipe and extending upwardly from the foundation and terminating adjacent to the surface of the body of water, and a set of mechanical screw jacks for selectively extending and retracting the upper end of the telescoping portion above and below the water surface in order to selectively drain a top layer of clean decant water therefrom.

DATES: An emergency review has been requested in accordance with the Act (44 U.S.C. Chapter 3507(j)), since public harm is reasonably likely to result if normal clearance procedures are followed. Approval by the Office of Management and Budget (OMB) has been requested by February 28, 2000.

ADDRESSES: Written comments regarding the emergency review should be addressed to the Office of Information and Regulatory Affairs, Attention: Danny Werfel, Desk Officer: Department of Education, Office of Management and Budget; 725 17th Street, N.W., Room 10235, New Executive Office Building, Washington, D.C. 20503.

Chapter 35) requires that the Director of OMB provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The Office of Management and Budget (OMB) may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Information Management Group, Office of the Chief Information Officer, publishes this notice containing proposed information collection requests at the beginning of the Departmental review of the information collection. Abstract: Guidance for State educational agencies (SEAs) on procedures for adjusting ED-determined Title I Basic and Concentration Grants allocations to local educational agencies (LEAs) to account for newly created LEAs and LEA boundary changes.

Affected Public: State, local or Tribal Government, SEAs or LEAs.

Impact Aid Program

AGENCY: Department of Education.

ACTION: Notice reopening the application deadline date for Impact Aid fiscal year (FY) 2000 section 8002 grants and FY 2001 section 8003 grants.

SUMMARY: The Secretary reopens the deadline date for the submission of applications for Impact Aid FY 2000 section 8002 grants and FY 2001 section 8003 grants until February 29, 2000. Impact Aid regulations at 34 CFR 222.3 specify that the annual application deadline date is January 31. The Secretary takes this action to allow more time for the preparation and submission of applications by potential applicants adversely affected by severe inclement weather conditions throughout the Nation.

EFFECTIVE DATE: This notice reopening the application deadline date to February 29, 2000, for Impact Aid FY 2000 section 8002 grants and FY 2001 section 8003 grants is effective February 28, 2000.

DEADLINE DATE FOR TRANSMITTAL OF APPLICATIONS: February 29, 2000. The Secretary will also accept and approve for payment any otherwise approvable application from applicants that is received on or before the 60th calendar day after February 29, 2000, which is April 29 or its next business day, May 1, 2000. However, any applicant meeting the conditions of the preceding sentence will have its payment reduced by 10 percent of the amount it would have received had its application been filed by February 29, 2000.

DEADLINE DATE FOR INTERGOVERNMENTAL REVIEW: In accordance with 34 CFR 222.3(c), the deadline date for the transmittal of comments on the applications by State educational agencies is March 15, 2000.

FOR APPLICATIONS OR INFORMATION

CONTACT: Impact Aid Program, U.S. Department of Education, 400 Maryland Avenue SW, Washington, DC 20202-6244. Telephone: (202) 260-3858. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

SUPPLEMENTARY INFORMATION: The Secretary reopens the deadline for potential applicants under sections 8002 and 8003 for Impact Aid assistance for the respective years specified. Section 8003 applicants should use a survey date for their student counts that is at least three days after the start of the 1999-2000 school year and before the reopened deadline of February 29, 2000.

Waiver of rulemaking. Currently, 34 CFR 222.3, which establishes the annual January 31 Impact Aid application deadline, is in effect. However, applicants may not have sufficient time to gather data and comply with that annual deadline because they were adversely affected by severe weather conditions. Because this amendment makes a procedural change for this year only as a result of unique circumstances for potential applicants, proposed rulemaking is not required under 5 U.S.C. 553(b)(A). In addition, the Secretary has determined under 5 U.S.C. 553(b)(B) that proposed rulemaking on this one-time suspension of the regulatory deadline date is impracticable, unnecessary, and contrary to the public interest.

Program Authority: 20 U.S.C. 7705.
