

The 1,250 annual burden hours requested are based on the number of collections the NTSB expects to conduct over the requested three-year period for this generic clearance.

**Estimated Total Annual Burden Cost:** \$0.

Participation in this collection is voluntary, and there are no costs to respondents beyond the time spent participating in the surveys.

**Request for Comments:** Prior to submitting the ICR to the Office of Information and Regulatory Affairs (OIRA), 5 CFR 1320.8(d)(1) requires agencies to provide a 60-day Notice in the **Federal Register** and otherwise consult with members of the public and affected agencies. Thus, through this Notice, the NTSB currently is soliciting public comments that include: (1) whether the proposed collection is necessary for the NTSB to perform its mission; (2) the accuracy of the estimated burden; (3) ways for the NTSB to enhance the quality, usefulness, and clarity of the IC; and (4) ways to minimize burden without reducing the quality of the IC. The NTSB will summarize and/or include comments received in the agency's request for OMB approval.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-97547; File No. SR-CboeEDGX-2023-036]

### Self-Regulatory Organizations; Cboe EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Fee Schedule

May 23, 2023.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on May 10, 2023, Cboe EDGX Exchange, Inc. (“Exchange” or “EDGX”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe EDGX Exchange, Inc. (the “Exchange” or “EDGX”) proposes to amend its Fee Schedule. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange's website ([http://markets.cboe.com/us/options/regulation/rule\\_filings/edgx/](http://markets.cboe.com/us/options/regulation/rule_filings/edgx/)), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of

the most significant aspects of such statements.

#### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The Exchange proposes to amend its Fee Schedule applicable to its equities trading platform (“EDGX Equities”) as follows: (1) by modifying and introducing certain Add/Remove Volume Tiers; (2) by eliminating certain Growth Tiers; (3) by modifying the criteria of the Non-Displayed Add Volume Tiers; (4) by eliminating certain Non-Displayed Step-Up Tiers; (5) by eliminating certain Retail Growth Tiers; and (6) by introducing new fee code DX and modifying the description and fee associated with fee code DQ. The Exchange proposes to implement these changes effective May 1, 2023.<sup>3</sup>

The Exchange first notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive or incentives to be insufficient. More specifically, the Exchange is only one of 16 registered equities exchanges, as well as a number of alternative trading systems and other off-exchange venues that do not have similar self-regulatory responsibilities under the Securities Exchange Act of 1934 (the “Act”), to which market participants may direct their order flow. Based on publicly available information,<sup>4</sup> no single registered equities exchange has more than 16% of the market share. Thus, in such a low-concentrated and highly competitive market, no single equities exchange possesses significant pricing power in the execution of order flow. The Exchange in particular operates a “Maker-Taker” model whereby it pays rebates to members that add liquidity and assesses fees to those that remove liquidity. The Exchange's Fee Schedule sets forth the standard rebates and rates applied per share for orders that provide and remove liquidity, respectively. Currently, for orders in securities priced at or above \$1.00, the Exchange provides a standard rebate of \$0.00160 per share for orders that add liquidity and assesses a fee of \$0.0030 per share

<sup>3</sup> The Exchange initially filed the proposed fee changes on May 1, 2023 (SR-CboeEDGX-2023-034). On May 10, 2023, the Exchange withdrew that filing and submitted this proposal.
