

this clause therefore provide some mechanism for dealing with the potential required price adjustment. The Councils have been advised that use of these clauses for time-and-materials and labor-hour service contracts is already widespread. Uniform use of the appropriate clause will ensure consistency in the adjustment method for any required increase in wage rate, but should not have a significant cost impact.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. Chapter 35, *et seq.*

SUPPLEMENTARY INFORMATION:

A. Background

On July 15, 2009, Taiwan became a designated country based on its accession to the World Trade Organization Agreement on Government Procurement. This interim rule adds Taiwan to the list of World Trade Organization Government Procurement Agreement countries in FAR 22.1503, 25.003, 52.222–19, 52.225–5, 52.225–11, and 52.225–23.

This is a significant regulatory action and, therefore, was subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The interim rule is not expected to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* Although the rule opens up Government procurement to the goods and services of Taiwan, the Councils do not anticipate any significant economic impact on U.S. small businesses. The Department of Defense only applies the trade agreements to the non-defense items listed at Defense Federal Acquisition Regulation Supplement (DFARS) 225.401–70, and acquisitions that are set aside for small businesses are exempt. Therefore, an Initial Regulatory Flexibility Analysis has not been performed. The Councils will consider comments from small entities concerning the affected FAR Parts 22, 25, and 52 in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 601, *et seq.* (FAC 2005–36, FAR case 2009–014), in all correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does apply; however, these changes to the FAR do not impose additional information collection requirements to

the paperwork burden previously approved under OMB Control Number 9000–0141, Buy American Act—Construction. The interim rule affects the certification and information collection requirement in the clause at FAR 52.225–11. The impact, however, is negligible.

D. Determination to Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense (DoD), the Administrator of General Services (GSA), and the Administrator of the National Aeronautics and Space Administration (NASA) that urgent and compelling reasons exist to promulgate this interim rule without prior opportunity for public comment. This action is necessary because this interim rule implements the designation of Taiwan under the World Trade Organization Agreement on Government Procurement, which took effect on July 15, 2009. However, pursuant to Pub. L. 98–577 and FAR 1.501, the Councils will consider public comments received in response to this interim rule in the formation of the final rule.

**Federal Acquisition Regulation; FAR
Case 2008–004, Prohibition on
Restricted Business Operations in
Sudan and Imports from Burma**

AGENCIES: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) have agreed on a final rule amending the Federal Acquisition Regulation (FAR) to implement Section 6 of the Sudan Accountability and Divestment Act of 2007. Section 6 requires certification in each contract entered into by an Executive Agency that the contractor does not conduct certain business operations in Sudan. In addition, the Councils added Burma to the list of countries from which most imports are prohibited. This action was taken in accordance with Executive Order (E.O.) 13310, Blocking Property of the Government of Burma and Prohibiting Certain Transactions, and E.O. 13448, Blocking the Property and Prohibiting Certain Transactions Related to Burma.

DATES: *Effective Date:* August 11, 2009.

FOR FURTHER INFORMATION CONTACT: For clarification of content, contact Ms. Meredith Murphy, Procurement Analyst, at (202) 208–6925. For information pertaining to status or publication schedules, contact the Regulatory Secretariat at (202) 501–4755. Please cite FAC 2005–36, FAR case 2008–004.

SUPPLEMENTARY INFORMATION:**A. Background**

This final rule amends the Federal Acquisition Regulation (FAR) to implement Section 6 of the Sudan Accountability and Divestment Act of 2007, which was signed on December 31, 2007.

DoD, GSA, and NASA published an interim rule in the **Federal Register** at 73 FR 33636 on June 12, 2008. The

public comment period ended August 11, 2008.

This rule amends the FAR to implement Section 6 of the Sudan Accountability and Divestment Act of 2007 (the Act), which requires certification in each contract entered into by an executive agency that the contractor does not conduct certain business operations in Sudan. In addition, the Councils added Burma to the list of countries from which most imports are prohibited.

B. Discussion and Analysis.

The FAR Secretariat received five (5) responses to the interim rule. These responses included a total of 16 comments on 11 issues. A sixth response was simply a copy of the statute and was not counted as a comment. All of the responses concerned the implementation of the Act; there were no comments on the addition of Burma to the list of prohibited countries. Each issue is discussed in the following sections.

No public comments were received regarding the portion of the interim rule addressing Burma. Therefore, that part of the interim rule is unchanged (see the **Federal Register** at 73 FR 33636 dated June 12, 2008).

1. Delete the definition of “person” and other issues with definitions.

Comment: a. Two respondents recommended that the final rule delete the definition of “person.” The respondents point out that Section 2 of the Act, which defines the key terms in the Act, does not define “contractor” but does define “person.” The term person, however, is used frequently in Section 3 of the Act, which addresses divestiture by State and local governments (not a subject of the FAR coverage), but it is not used at all in Section 6 of the Act, which the FAR is implementing. The respondents point out that, had the Congress intended “person” and “contractor” to be synonymous, it should have defined them so, and one respondent points out portions of the legislative history that reinforce its conclusion that the congressional intent was to have a different meaning for each term.

b. In addition, one respondent requested that the definition of “restricted business operations” at FAR sections 25.702–1 and 52.225–20 either delete the phrase “as those terms are defined in the Sudan Accountability and Divestment Act of 2007 (Pub. L. 110–174)” or replace “defined in” with the phrase “described in Section 3(d) of”.

c. Last, a respondent reminded the Councils that in the “definition of the
