This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the

Department's information collection requirements and provide the requested data in the desired format. The Department is soliciting comments on the proposed information collection request (ICR) that is described below. The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

*Title of Collection:* Consolidated Annual Report (CAR) for the Carl D. Perkins Career and Technical Education Act of 2006.*OMB Control Number:* 1830–0569.*Type of Review:* Revision of a currently approved ICR.*Respondents/Affected Public:* State, Local, and Tribal Governments.*Total Estimated Number of Annual Responses:* 54.*Total Estimated Number of Annual Burden Hours:* 12,636.*Abstract:* This information collection is used by the Department to request Consolidated Annual Reports (CARs) under the Carl D. Perkins Career and Technical Education Act of 2006 (Perkins V). We are proposing to reinstate the previously approved version of this collection. Doing so will eliminate the requirements that eligible agencies and eligible recipients respond to several additional narrative items and use numerator and denominator specifications recently established by the Department to report data for the indicators of performance under Perkins V.**Ross Santy,***Chief Data Officer, Office of Planning, Evaluation and Policy Development.*
