

to disclose for the final results of this review.

#### Assessment Rate

Pursuant to section 751(a)(2)(C) of the Act, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise that entered the United States during the POR that were produced by Oman Fasteners for which the respondent did not know that its merchandise was destined to the United States, Commerce will instruct CBP to liquidate unreviewed entries at the all-others rate of 9.10 percent,<sup>9</sup> if there is no rate for the intermediate company(ies) involved in the transaction.<sup>10</sup>

Because we are applying total AFA to Oman Fasteners, we will instruct CBP to apply an assessment rate to all entries Oman Fasteners produced and/or exported equal to the dumping margin indicated above in the "Final Results of Review." Further, the assessment rate for antidumping duties for each of the companies not selected for individual examination will be equal to the weighted-average dumping margin identified above in the "Final Results of Review."

#### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of the final results of this administrative review for all shipments of steel nails from Oman entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results in the **Federal Register**, as provided by section 751(a)(2)(C) of the Act: (1) for the companies covered by this review, the cash deposit rate will be the rates listed above in the section "Final Results of Review"; (2) for merchandise exported by producers or exporters not covered in

this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published in a completed segment for the most recent period of review; (3) if the exporter is not a firm covered in this review, a prior review, or in the original investigation, but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 9.10 percent, the all-others rate established in the investigation.<sup>11</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

#### Administrative Protective Order

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

#### Notification to Interested Parties

Commerce is issuing and publishing these final results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).

Dated: December 16, 2022.

#### **Alloy and Certain Carbon Steel Threaded Rod From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review and Rescission of Administrative Review, in Part; 2021-2022**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) preliminarily finds that Ningbo Dongxin High-Strength Nut Co., Ltd. (Ningbo Dongxin), is not eligible for a separate rate. The period of review (POR) is April 1, 2021, through March 31, 2022. Commerce is also rescinding the review with respect to Ningbo Zhongjiang High Strength Bolts Co., Ltd. (Zhongjiang Bolts). Interested parties are invited to comment on these preliminary results of review.

**DATES:** Applicable December 22, 2022.

**FOR FURTHER INFORMATION CONTACT:** Allison Hollander or Bryan Hansen, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2805 or (202) 482-3683, respectively.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

On April 21, 2020, Commerce published in the **Federal Register** the antidumping duty (AD) order on alloy and certain carbon steel threaded rod (threaded rod) from the People's Republic of China (China).<sup>1</sup> On April 1, 2022, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of

<sup>9</sup> See *Steel Nails from Oman Final Determination*.

<sup>10</sup> For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

<sup>11</sup> See *Investigation Final Determination*.

the *Order*.<sup>2</sup> On June 9, 2022, based on timely requests for an administrative review, Commerce initiated the administrative review of the *Order*.<sup>3</sup> The administrative review covers two companies, including one mandatory respondent, Ningbo Dongxin.

### Scope of the Order

The products covered by this *Order* are threaded rod. A full description of the scope of the *Order* is provided in the Preliminary Decision Memorandum.<sup>4</sup>

### Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested a review withdraws its request within 90 days of the date of publication of the notice of initiation. On June 21, 2022, Zhongjiang Bolts timely withdrew its request for review.<sup>5</sup> Because no other party requested an administrative review of Zhongjiang Bolts, Commerce is rescinding this administrative review, in part, with respect to Zhongjiang Bolts, in accordance with 19 CFR 351.213(d)(1).

### China-Wide Entity

Under Commerce's policy regarding the conditional review of the China-wide entity,<sup>6</sup> the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in this review, the entity is not under review, and the entity's rate (*i.e.*, 48.91 percent) is not subject to change.<sup>7</sup> We find the mandatory respondent, Ningbo Dongxin, to be a part of the China-wide entity in the instant review because it failed to submit a timely response to the

initial AD questionnaire, thereby failing to establish its eligibility for a separate rate.<sup>8</sup>

### Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act. For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. A list of topics discussed in the Preliminary Decision Memorandum is included as an appendix to this notice. In addition, a complete version of the Preliminary Decision Memorandum can be found at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

### Disclosure

Normally, Commerce discloses to the parties in a proceeding the calculations performed in connection with preliminary results of review within five days after public announcement of preliminary results of review in accordance with 19 CFR 351.224(b).<sup>9</sup> However, because Commerce did not calculate a margin for the sole mandatory respondent, there are no calculations to disclose for the preliminary results of review.

### Public Comment

Pursuant to 19 CFR 351.309(c), interested parties case briefs no later than 30 days after the date of publication of these preliminary results of review.<sup>10</sup> Rebuttals to case briefs may be filed no later than seven days after the case briefs are filed, and all rebuttal comments must be limited to comments raised in the case briefs.<sup>11</sup> Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information until further notice.<sup>12</sup>

Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this proceeding are

encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>13</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the publication of this notice. Requests should contain the party's name, address, telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Unless the deadline is extended, Commerce intends to issue the final results of this review, including the results of its analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

### Assessment Rates

Upon issuing the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.<sup>14</sup>

Because Commerce is rescinding this administrative review, in part, with respect to Zhongjiang Bolts, Commerce will instruct CBP to assess antidumping duties on all appropriate entries of threaded rod from China exported by Zhongjiang Bolts during the POR at the rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i).

If the preliminary results are unchanged for the final results, we will instruct CBP to apply an *ad valorem* assessment rate of 48.91 percent to all entries of subject merchandise during the POR which were exported by Ningbo Dongxin.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S.

### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) for Ningbo Dongxin, that has not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity; (2) for previously investigated or reviewed Chinese and non-Chinese exporters that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity; and (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

### Notification to Interested Parties

Commerce is issuing and publishing the preliminary results of this review in accordance with sections 751(a)(1)(B), 751(a)(3) and 777(i) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

### Certain Hot-Rolled Steel Flat Products From Australia, Brazil, Japan, the Republic of Korea, the Netherlands, the Republic of Turkey, and the United Kingdom: Continuation of Antidumping Duty Orders (Australia, Japan, Korea, the Netherlands, Turkey, and United Kingdom) and Countervailing Duty Order (Korea) and Revocation of Antidumping and Countervailing Duty Orders (Brazil)

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** As a result of the determinations by the U.S. Department of Commerce (Commerce) and the U.S. International Trade Commission (ITC) that revocation of the antidumping duty (AD) orders on certain hot-rolled steel flat products (hot-rolled steel) from Australia, Japan, the Republic of Korea (Korea), the Netherlands, the Republic of Turkey (Turkey), and the United Kingdom would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, Commerce is publishing a notice of continuation of the AD orders for these countries. Further, as a result of Commerce's and the ITC's determinations that the countervailing duty (CVD) order on hot-rolled steel from Korea would likely lead to continuation or recurrence of net countervailable subsidies and material injury to an industry in the United States, Commerce is publishing a notice of continuation CVD order for Korea. Finally, as a result of the ITC's determination that revocation of the AD and CVD orders on hot-rolled steel from Brazil is not likely to lead to continuation or recurrence of material injury to an industry in the United States, Commerce is revoking the AD and CVD orders on hot-rolled steel from Brazil.

#### SUPPLEMENTARY INFORMATION:

#### Background

On October 3, 2016, Commerce published in the **Federal Register** the AD orders on hot-rolled steel from Australia, Brazil, Japan, Korea, the Netherlands, Turkey, and the United Kingdom (*AD Orders*)<sup>1</sup> and the CVD orders on hot-rolled steel from Brazil and Korea (*CVD Orders*, collectively with *AD Orders*, *Orders*).<sup>2</sup> On September 1, 2021, Commerce published the notice of initiation of the sunset reviews of the *Orders* pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).<sup>3</sup> Commerce conducted expedited (120-day) sunset reviews of the *Orders*, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2). As a result of its reviews, Commerce determined, pursuant to sections 751(c)(1) and 752(c) of the Act, that revocation of the *Orders* would likely lead to continuation or recurrence of dumping and countervailable subsidies. Commerce also notified the ITC of the magnitude of the dumping margins and net countervailable subsidies likely to prevail should the *Orders* be revoked.<sup>4</sup>

On December 2, 2022, the ITC published its determination, pursuant to
