

(h) *Procedures.* The Director, TRICARE Management Activity shall establish procedures for the effective operation of the Pharmacy Benefit Program. Such procedures may include restrictions of the quantity of pharmaceuticals to be included under the benefit, encouragement or requirement of the use of generic drugs, implementation of quality assurance and utilization management activities, and other appropriate matters.

9. Section 199.22 is amended by revising paragraph (d)(1)(i), the first sentence of paragraph (d)(3), and paragraph (d)(5) to read as follows:

**§ 199.22 TRICARE Retiree Dental Program (TRDP).**

\* \* \* \* \*

(d) \* \* \*

(1) \* \* \*

(i) Members of the Uniformed Services who are entitled to retired pay, or a former member of the armed forces who is a Medal of Honor recipient and who is not otherwise entitled to medical and dental benefits who has requested medical and dental care benefits in the manner described in § 199.3(j)(1) or their immediate dependents as defined by § 199.3(b)(ii);

\* \* \* \* \*

(3) *Election of coverage.* In order to initiate dental coverage, election to enroll must be made by the member or eligible dependent. \* \* \*

\* \* \* \* \*

(5) *Period of coverage.* TRICARE Retiree Dental Program coverage is terminated when the member's entitlement to retired pay is terminated, the member's status as a member of the Retired Reserve is terminated, the member's status as a Medal of Honor recipient is terminated, a dependent child loses eligible child dependent status, or in the case of remarriage of the surviving spouse.

#### Revision to Federal Blood Alcohol Concentration (BAC) Standard for Recreational Vessel Operators: Delay of Effective Date

**AGENCY:** Coast Guard, Department of Transportation.

**ACTION:** Final rule; delay of effective date.

**SUMMARY:** In accordance with the memorandum of January 20, 2001, from the Assistant to the President and Chief of Staff, entitled "Regulatory Review Plan," published in the **Federal Register** on January 24, 2001 (66 FR 7702), this action temporarily delays for 60 days the effective date of the rule entitled Revision to Federal Blood Alcohol Concentration (BAC) Standard for Recreational Vessel Operators, published in the **Federal Register** on January 10, 2001, 66 FR 1859. That rule concerns revising the Federal Blood Alcohol Concentration (BAC) standard under which a recreational vessel operator would be considered operating while "intoxicated".

**DATES:** The effective date of the final rule amending 33 CFR parts 95 and 177 published in the **Federal Register** on January 10, 2001, at 66 FR 1859, is delayed for 60 days, from March 12, 2001, until May 11, 2001.

**FOR FURTHER INFORMATION CONTACT:** Carlton Perry, Project Manager, Office of Boating Safety, U.S. Coast Guard, by telephone at 202-267-0979.

**SUPPLEMENTARY INFORMATION:** To the extent that 5 U.S.C. section 553 applies to this action, it is exempt from notice and comment because it constitutes a rule of procedure under 5 U.S.C. section 553(b)(A). Alternatively, the Coast Guard's implementation of this action without opportunity for public comment, effective immediately upon publication today in the **Federal Register**, is based on the good cause exceptions in 5 U.S.C. section 553(b)(B) and 553(d)(3). Seeking public comment is impracticable, unnecessary and contrary to the public interest. The temporary 60-day delay in effective date is necessary to give Department officials the opportunity for further review and consideration of new regulations, consistent with the Assistant to the President's memorandum of January 20, 2001. Given the imminence of the

effective date, seeking prior public comment on this temporary delay would have been impracticable, as well as contrary to the public interest in the orderly promulgation and implementation of regulations. The imminence of the effective date is also good cause for making this action effective immediately upon publication.

Dated: January 31, 2001.

#### 33 CFR Part 100

[CGD11-01-002]

RIN 2115-AE46

#### Special Local Regulations: Parker International Waterski Marathon

**AGENCY:** Coast Guard, DOT.

**ACTION:** Notice of implementation.

**SUMMARY:** This notice implements 33 CFR 100.1102, Marine Events on the Colorado River, between Davis Dam (Bullhead City, Arizona) and Headgate Dam (Parker, Arizona), for the Parker International Waterski Marathon. The race will consist of power driven vessels ranging in size from 19-26 feet for a waterski competition. These regulations will be effective on that portion of the Colorado River beginning at Bluewater Marina in Parker, AZ, and extending approximately 10 miles to La Paz County Park. Notice of Implementation of 33 CFR 100.1102 is necessary to control vessel traffic in the regulated areas during the event to ensure the safety of participants and spectators.

Pursuant to 33 CFR 100.1102(c), Commanding Officer, Coast Guard Activities San Diego, is designated Patrol Commander for this event; he has the authority to delegate this responsibility to any Coast Guard, public, state, local law enforcement, and/or sponsor provided vessels. For this event, the Coast Guard has designated the Colorado River Indian Tribe Police as Patrol Commander.

**EFFECTIVE DATES:** This section is effective from 8 a.m. (MST) until 4:30 p.m. (MST) on March 10, 2001 through March 11, 2001. If the event concludes prior to the scheduled termination date and/or time, the Colorado River Indian Tribe Police will cease enforcement of this section.

**FOR FURTHER INFORMATION CONTACT:**

Petty Officer Nicole Lavorgna, U. S. Coast Guard MSO San Diego, San Diego, California; Telephone: (619) 683-6495.

*Discussion of Implementation.* These Special Local Regulations permit Coast Guard or their designated representative control of vessel traffic in order to ensure the safety of spectator and participant vessels. In accordance with the regulations in 33 CFR 100.1102, no persons or vessels shall block, anchor, or loiter in the regulated area; nor shall any person or vessel transit through the regulated area, or otherwise impede the transit of participant or official patrol vessels in the regulated area, unless cleared for such entry by or through an official patrol vessel acting on behalf of the Patrol Commander.

**Regattas and Marine Parades: Delay of Effective Date**

**AGENCY:** Coast Guard, DOT.

**ACTION:** Final rule; delay of effective date and conforming amendments.

**SUMMARY:** In accordance with the memorandum of January 20, 2001, from the Assistant to the President and Chief of Staff, entitled "Regulatory Review Plan," published in the *Federal Register* on January 24, 2001 (66 FR 7702), this action temporarily delays for 60 days the effective date of the rule entitled "Regattas and Marine Parades," published in the *Federal Register* on January 9, 2001, 66 FR 1580, and makes conforming amendments to reflect the effective date delay. That rule establishes the minimum time for submitting an application to hold a regatta or marine parade before the event is scheduled to take place.

**DATES:** The effective date of the final rule, amending 33 CFR part 100 and withdrawing the interim rule published at 61 FR 33027, published in the *Federal Register* on January, 2001, at 66 FR 1580, is delayed for 60 days, from March 12, 2001, until May 11, 2001. The

conforming amendments are effective May 11, 2001.

**FOR FURTHER INFORMATION CONTACT:**

Carlton Perry, Project Manager, Office of Boating Safety, U.S. Coast Guard Headquarters (G-OPB-1/3100), 2100 Second Street SW., Washington, DC 20593-0001, 202-267-0979.

**SUPPLEMENTARY INFORMATION:** To the extent that 5 U.S.C. 553 applies to this action, it is exempt from notice and comment because it constitutes a rule of procedure under 5 U.S.C. 553(b)(A). Alternatively, the Coast Guard's implementation of this action without opportunity for public comment, effective immediately upon publication today in the *Federal Register*, is based on the good cause exceptions in 5 U.S.C. 553(b)(B) and 553(d)(3). Seeking public comment is impracticable, unnecessary, and contrary to the public interest. The temporary 60-day delay in effective date is necessary to give Department officials the opportunity for further review and consideration of new regulations, consistent with the Assistant to the President's memorandum of January 20, 2001. Given the imminence of the effective day, seeking prior public comment on this temporary delay would have been impractical, as well as contrary to the public interest, in the orderly promulgation and implementation of regulations. The imminence of the effective date is also good cause for making this action effective immediately upon publication.

We are changing the dates in 33 CFR 100.15(d) and (e), Submission of application, to delay them for 60 days. The original dates were keyed to the effective date of the final rule. Therefore, because of the 60-day delay in the effective date of the final rule, we are changing, in § 100.15(d) and (e), "July 10, 2001," to "September 8, 2001," and, in § 100.15(e), "September 24, 2001," to "November 23, 2001."

**List of Subjects in 33 CFR Part 100**

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

**PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS**

1. The authority citation for part 100 continues to read as follows:

**Authority:** 33 U.S.C. 1233; 49 CFR 1.46.

**§ 100.15 [Amended]**

2. In § 100.15, as amended at 66 FR 1582 effective May 11, 2001, in

paragraph (d), remove "July 10, 2001" and add, in its place, "September 8, 2001"; and, in paragraph (e), remove "July 10, 2001" and add, in its place, "September 8, 2001" and remove "September 24, 2001" and add, in its place, "November 23, 2001".

**Drawbridge Operation Regulations: Chelsea River, MA**

**AGENCY:** Coast Guard, DOT.

**ACTION:** Notice of temporary deviation from regulations.

**SUMMARY:** The Commander, First Coast Guard District, has issued a temporary deviation from the drawbridge operation regulations governing the operation of the Chelsea Street Bridge, at mile 1.2, across the Chelsea River between East Boston and Chelsea, Massachusetts. This deviation allows the bridge owner to keep the bridge in the closed position from 6 a.m. on February 7, 2001 through 6 a.m. on February 8, 2001 and from 6 a.m. on February 21, 2001 through 6 a.m. on February 22, 2001. This action is necessary to facilitate emergency maintenance at the bridge.

**DATES:** This deviation is effective from February 7, 2001 through February 8, 2001 and from February 21, 2001 through February 22, 2001.

**FOR FURTHER INFORMATION CONTACT:** John W. McDonald, Project Officer, First Coast Guard District, at (617) 223-8364.

**SUPPLEMENTARY INFORMATION:** The Chelsea Street Bridge, at mile 1.2, across the Chelsea River, has a vertical clearance of 9 feet at mean high water, and 19 feet at mean low water in the closed position. The existing drawbridge operating regulations require the bridge to open on signal at all times.

The bridge owner, the City of Boston, requested a temporary deviation from the drawbridge operating regulations to facilitate emergency structural maintenance and repairs to the alternate operating system at the bridge.

This deviation from the operating regulations allows the bridge owner to
