

ratios. Similarly, if the savings association subsidiary of an applicant has elected to use the CBLR framework, the applicant would no longer be required to submit the FR LL–10(e) information related to the savings association's risk-weighted assets or risk-based capital ratios. The proposed revisions would simplify the reporting requirement with regard to those savings associations and SLHCs that have elected to utilize the CBLR framework.

Filings Pursuant to Section 238.11(f) of Regulation LL and Other Clarifications

Pursuant to section 238.11(f) of Regulation LL, a director or officer of an SLHC, or any individual who owns, controls, or holds the power to vote (or holds proxies representing) more than 25 percent of the voting shares of such an SLHC, must receive the approval of the Board prior to acquiring control of any savings association that is not a subsidiary of such SLHC. The Board proposes to modify the FR LL–10(e) instructions to explicitly provide that the FR LL–10(e) must be submitted for such an application.

The Board is also proposing a minor change that would correct a cross-reference to the Board's rules regarding the availability of information and to clarify that the informational requirements of the FR LL–10(e) are mandatory for all filers.

Legal authorization and confidentiality: The FR LL–10(e) is authorized by section 10(b)(2) of HOLA.² The FR LL–10(e) is required to obtain a benefit.

The information contained on the FR LL–10(e) is not considered confidential unless an applicant requests confidential treatment in accordance with the Board's Rules Regarding Availability of Information.³ Requests for confidential treatment of information are reviewed on a case-by-case basis. Information provided on the FR LL–10(e) may be nonpublic commercial or financial information, which is both customarily and actually treated as private by the respondent, which is protected from disclosure pursuant to exemption 4 of the Freedom of Information Act (FOIA).⁴ Submissions of the FR LL–10(e) may also contain personnel and medical files the disclosure of which would constitute a

clearly unwarranted invasion of personal privacy, which are protected under exemption 6 of the FOIA,⁵ or information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions, which are protected under exemption 8 of the FOIA.⁶
