

guarantee to floor brokers representing crossing and facilitation orders in index options. Floor brokers would be guaranteed a participation right of 20% for crossing and facilitation orders they represent in index options. All other current rules concerning participation guarantees in crossing and facilitation orders would apply to index options under the proposal.⁷ The Exchange believes that the proposed expansion of the participation guarantee to crossing and facilitation orders in index options would make the Exchange more competitive by providing an incentive to index options order flow providers to bring order flow to the Exchange.⁸ The Exchange also believes that the proposed rule change should make order flow providers, as customers of Exchange floor brokers, aware of the percentage of crossing and facilitation orders in index options to which they are entitled and also provide the Exchange's trading crowd participants with the same guidelines.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,⁹ in general, and furthers the objectives of section 6(b)(5) of the Act,¹⁰ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect the investors and the public interest by providing floor brokers and Exchange crowd participants with rules setting forth guidelines regarding the percentage of crossing and facilitation orders in index options to which the floor brokers are entitled, and by making the Exchange more competitive by providing an incentive to index options order flow providers to bring order flow to the Exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding, or (ii) as to which the Exchange consents, the Commission will:

(A) By order approve such proposed rule change; or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Comments should be submitted electronically at the following e-mail address: rule-comments@sec.gov. All comment letters should refer to File No. SR-Phlx-2003-71. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, comments should be sent in hard copy or by e-mail but not by both methods. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of the filing will also be available for inspection and copying at the principal offices of the Exchange. All submissions should be submitted by March 10, 2004.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹¹
