Applicant states that it has no contractowners and no outstanding contracts that allocate premiums and contract value to the Separate Account. Because the Depositor has decided to discontinue sales of the contract and has no plans to develop any other variable annuity contracts that would be supported by the Separate Account, and because there are currently no assets in the Separate Account or its subaccounts, the Depositor has determined that it will not use the Separate Account as a funding medium to support reserves for future sales of any other variable

annuity contract and that the Separate Account should be deregistered.
