Foreign-Trade Zones Board

[Docket 43-2001]

Foreign-Trade Zone 146—Lawrence County, IL; Application for Subzone Expansion-Subzone 146A, North American Lighting, Inc., Facilities, Flora and Salem, Illinois (Automotive Lighting Products)

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Bi-State Authority, grantee of FTZ 146, requesting authority on behalf of North American Lighting, Inc. (NAL), operator of FTZ 146A, at the NAL automotive lighting products manufacturing facilities in Flora and Salem, Illinois, to expand FTZ Subzone 146A to include a new site in Paris, Illinois, and requesting authority to expand the scope of FTZ authority to include new manufacturing capacity under FTZ procedures. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on October 31, 2001.

Subzone 146A was approved by the Board in 1988 with authority granted for the manufacture of automotive lighting components and other related auto parts at NAL's manufacturing facilities (355,000 sq.ft./14 acres) in Flora, Illinois (*Site 1*) (Board Order 371, 53 FR 5436, 2-24-88). The subzone was subsequently reorganized and expanded to include NAL's second manufacturing facility (380,000 sq.ft./22 acres) in the Salem Industrial Park, Salem, Illinois (*Site 2*) (Board Order 718, 60 FR 2375, 1-9-95). In January 2001, the Board approved an expansion of the scope of FTZ manufacturing authority up to 56 million units annually, with a concurrent expansion of the boundaries of Subzone 146A (Board Order 1142, 66 FR 8195, 1-30-01).

The applicant is now requesting authority to expand the subzone to include a new site, currently under construction, located at 2277 South Main in Paris (Edgar County), Illinois. Proposed *Site 3* would include a 41-acre parcel within the Paris Industrial Park containing a 179,000 square foot
