## ENVIRONMENTAL PROTECTION AGENCY

### 40 CFR Part 52

[IL198-1b; FRL-6935-5]

#### Approval and Promulgation of State Implementation Plan; Illinois

**AGENCY:** Environmental Protection Agency (USEPA).

**ACTION:** Proposed rule.

**SUMMARY:** The USEPA is proposing to approve a negative declaration submitted by the State of Illinois which indicates there is no need for regulations covering the industrial cleaning solvents category in the Chicago ozone nonattainment area. The Chicago ozone nonattainment area includes Cook County, DuPage County, Aux Sable and Goose Lake Townships in Grundy County, Kane County, Oswego Township in Kendall County, Lake County, McHenry County and Will County. The State's negative declaration regarding industrial cleaning solvents category sources was submitted to USEPA in a letter dated December 23, 1999.

**DATES:** Written comments must be received on or before March 9, 2001.

**ADDRESSES:** Written comments should be mailed to: J. Elmer Bortzer, Chief, Regulation Development Section, Air Programs Branch (AR-18J), Environmental Protection Agency, Region 5, 77 West Jackson Boulevard, Chicago, Illinois 60604.

Copies of the State submittal are available for inspection at: Regulation Development Section, Air Programs Branch (AR-18J), Environmental Protection Agency, Region 5, 77 West Jackson Boulevard, Chicago, Illinois 60604.

**FOR FURTHER INFORMATION CONTACT:** Randolph O. Cano, Environmental Protection Specialist, Regulation Development Section, Air Programs Branch (AR-18J), Environmental Protection Agency, Region 5, 77 West Jackson Boulevard, Chicago, Illinois 60604, (312) 886-6036.

#### SUPPLEMENTARY INFORMATION:

##### Table of Contents

- I. What action is USEPA taking today?
- II. Where can I find more information about this proposal and the corresponding direct final rule?

#### I. What Action Is USEPA Taking Today?

USEPA is proposing to approve a negative declaration submitted by the State of Indiana on December 23, 1999. This negative declaration concerns a

source category located in the Chicago ozone nonattainment area which is classified as a severe nonattainment area for the pollutant ozone. The negative declaration indicates that the State has searched its emissions source inventory for the Chicago ozone nonattainment area and determined that there are no unregulated sources with a potential to emit 25 tons per year or more of volatile organic compounds (VOC) in the industrial cleaning solvents category.

#### II. Where Can I Find More Information About This Proposal and the Corresponding Direct Final Rule?

For additional information see the direct final rule published in the final rules section of this **Federal Register**.

Dated: January 8, 2001.

## ENVIRONMENTAL PROTECTION AGENCY

### 40 CFR Part 52

[MI-52-01-7260, FRL-6939-6]

#### Approval and Promulgation of Implementation Plans; Michigan; Emission Trading Program

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposed rule.

**SUMMARY:** The Environmental Protection Agency (EPA) is proposing to approve Michigan's State Implementation Plan (SIP) revision for ozone, carbon monoxide, sulfur dioxide, nitrogen dioxide, particulate matter and lead. EPA is proposing to approve the revision under section 110 of the Clean Air Act (Act). This SIP revision, submitted July 21, 1999 relates to Michigan's Emission Averaging and Emission Reduction Credit Trading Rules, which provide sources with flexibility in meeting regulatory requirements for reducing emissions of ozone precursors and criteria air pollutants other than ozone. This proposed approval would allow sources in Michigan to use emission averaging and trading for compliance with SIP requirements. EPA will not publish final approval until receiving some revisions to the SIP that Michigan will provide.

**DATES:** Comments on this proposed action must be received by March 9, 2001.

**ADDRESSES:** You should address written comments to: Carlton T. Nash, Chief,
