#### Notice of Realty Action: Lease/conveyance for Recreation and Public Purposes

**AGENCY:** Bureau of Land Management, DOI.

**ACTION:** Recreation and Public Purpose Lease/conveyance.

**SUMMARY:** The following described public land in Las Vegas, Clark County, Nevada has been examined and found suitable for lease/conveyance for recreational or public purposes under the provisions of the Recreation and Public Purposes Act, as amended (43 U.S.C. 869 *et seq.*). The City of Las Vegas proposes to use the land for a fire station.

#### Mount Diablo Meridian, Nevada

T. 19 S., R. 59 E.,

Sec. 25, E $\frac{1}{2}$ SE $\frac{1}{4}$ NE $\frac{1}{4}$ SE $\frac{1}{4}$ .

Containing 5 acres, more or less.

The land is not required for any federal purpose. The lease/conveyance is consistent with current Bureau planning for this area and would be in the public interest. The lease/patent, when issued, will be subject to the provisions of the Recreation and Public Purposes Act and applicable regulations of the Secretary of the Interior, and will contain the following reservations to the United States:

1. A right-of-way thereon for ditches or canals constructed by the authority of the United States, Act of August 30, 1890 (43 U.S.C. 945).

2. All minerals shall be reserved to the United States, together with the right to prospect for, mine and remove such deposits from the same under applicable law and such regulations as

the Secretary of the Interior may prescribe.

and will be subject to:

1. An easement 30 feet in width along the North boundary, 50 feet in width along the East boundary, and 30 feet in width along the South boundary in favor of the City of Las Vegas for roads, public utilities and flood control purposes.

Detailed information concerning this action is available for review at the office of the Bureau of Land Management, Las Vegas Field Office, 4765 W. Vegas Drive, Las Vegas, Nevada.

Upon publication of this notice in the **Federal Register**, the above described land will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease/conveyance under the Recreation and Public Purposes Act, leasing under the mineral leasing laws and disposals under the mineral material disposal laws. For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested parties may submit comments regarding the proposed lease/conveyance for classification of the lands to the Field Manager, Las Vegas Field Office, Las Vegas, Nevada 89108.

#### Classification Comments

Interested parties may submit comments involving the suitability of the land for a fire station. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

#### Application Comments

Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for a fire station.

Any adverse comments will be reviewed by the State Director.

In the absence of any adverse comments, the classification of the land described in this Notice will become effective 60 days from the date of publication in the **Federal Register**. The lands will not be offered for lease/conveyance until after the classification becomes effective.

Dated: February 17, 2000.

#### Proposed BLM Resource Management Plan Amendment From the Designation of Environmentally Preferred Alternative in the Clancy-Unionville Vegetative Manipulation and Travel Management Final Environmental Impact Statement

**AGENCY:** Bureau of Land Management, DOI.

**ACTION:** Notice.

**SUMMARY:** The USDI, Bureau of Land Management, and USDA, Forest Service have released the Clancy-Unionville Vegetative Manipulation and Travel Management Project Final Environmental Impact Statement (FEIS) for public examination. The BLM has determined that a Resource Management Plan (RMP) Amendment is preferred, as described under the "Features Common to All BLM Action Alternatives" section of the FEIS located on page II-8 of the document.

**Public Participation:** Headwaters RMP Amendment: The Travel Planning features analyzed in this FEIS and part of the Environmentally Preferred Alternative are subject to the provisions of BLM regulations under 43 CFR Part 1600. The BLM travel management features, as found in the draft EIS for the Clancy-Unionville Vegetation Manipulation and Travel Management Project, were available for public review and comment for 90 days, beginning November 6, 1998. Written comments were received from agencies, individuals, and organizations. All comments were considered in the preparation of the FEIS and the proposed RMP Amendment.

The resource management planning process includes the opportunity for review of the RMP Amendment and, if desired, to submit a protest to the BLM's Director. Any person or organization who participated in the planning process and who has an interest that is or may be adversely affected by the approval of this RMP Amendment may protest the plan. Careful adherence to the following guidelines will help you prepare a protest that will assure the
