Re: Notice of Debarment

File No. EB-11-IH-1122

Dear Mr. Sheets:

The Federal Communications Commission (Commission) hereby notifies you that, pursuant to Section 54.8 of its rules, you are prohibited from participating in the schools and libraries universal service support mechanism (E-Rate program) for three years from either the date of your receipt of this Notice of Debarment, or of its publication in the **Federal Register**, whichever is earlier in time (Debarment Date).¹

On October 18, 2011, the Commission's Enforcement Bureau (Bureau) sent you a Notice of Suspension and Initiation of Debarment Proceeding (Notice of Suspension)² that was published in the **Federal Register** on November 7, 2011.³ The Notice of Suspension suspended you from participating in activities associated with or relating to the E-Rate program and described the basis for initiating debarment proceedings against you, the applicable debarment procedures, and the effect of debarment.

As discussed in the Notice of Suspension, as president and co-owner of CMS Internet LLC (CMS), you devised and participated in a scheme to defraud the E-Rate program, which resulted in a loss to the program of up to \$70,000.⁴ Specifically, you made

materially false representations that induced two school districts to steer E-rate contracts to CMS; and you paid the school applicants' share of E-Rate expenses with purported "donations" and "leasing payments."⁵ Furthermore, you failed to disclose that you purchased ineligible goods and services with E-Rate funds.⁶ Finally, you obstructed a 2007 federal grand jury investigation by instructing a CMS employee to testify falsely about receiving gifts and to destroy computer records.⁷ As a result of your conviction for wire fraud, the United States District Court for the Western District of Michigan sentenced you to serve 15 months in federal prison, followed by two years of supervised release for defrauding the E-Rate program.⁸ The court also prohibited you from "having any involvement with any government-backed or federally-regulated programs during the course of supervision."⁹ The court ordered you to pay a \$12,000 criminal fine in addition to paying Universal Service Administration Company (USAC) \$115,534 in restitution.¹⁰ Pursuant to Section 54.8(c) of the Commission's rules, your conviction of criminal conduct in connection with the E-Rate program serves as a basis for your debarment.¹¹

In accordance with the Commission's debarment rules, you were required to file with the Commission any opposition to your suspension or its scope, or to your proposed debarment or its scope, no later than 30 calendar days from either the date of your receipt of the Notice of Suspension or of its publication in the **Federal Register**, whichever date occurred first.¹² The Commission did not receive any such opposition.

For the foregoing reasons, you are debarred from participating in the E-Rate program for three years from the Debarment Date.¹³ During this debarment period, you are excluded from participating in any activities associated with or related to the E-Rate program, including the receipt of funds or discounted services through the E-

Rate program, or consulting with, assisting, or advising applicants or service providers regarding the E-Rate program.¹⁴

Sincerely,

Theresa Z. Cavanaugh,
Acting Chief, Investigations and Hearings Division, Enforcement Bureau.

Synopsis: On February 4, 2011, the Commission released document FCC 11–16, *Amendment of Certain of the Commission's Part 1 Rules of Practice and Procedure and Part 0 Rules of Commission Organization, Report and Order*, 76 FR 24383, May 2, 2011, which revised portions of its Part 1—Practice and Procedure and Part 0—Organizational rules.

The revised rules, in part, delegate authority to the Chief, CGB to periodically review all open dockets and, in consultation with the responsible Bureaus or Offices, to identify those dockets that appear to be candidates for termination. These candidates include dockets in which no further action is required or contemplated, as well as those in which no pleadings or other documents have been filed for several years. However, the Commission specified that proceedings in which petitions addressing the merits are pending should not be terminated absent the parties' consent. The termination of a dormant proceeding also includes dismissal as moot of any pending petition, motion, or other request for relief that is procedural in nature or otherwise does not address the merits of the proceeding.

Prior to the termination of any particular proceeding, the Commission was directed to issue a Public Notice identifying the dockets under consideration for termination and affording interested parties an opportunity to comment. Thus, CGB has identified the dockets for possible termination in document DA 12–220. http://transition.fcc.gov/Daily_Releases/Daily_Business/2012/db0215/DA-12-220A2.xls
