

Section 4204(c) of ERISA authorizes the PBGC to grant individual or class variances or exemptions from the purchaser's bond/escrow requirement of section 4204(a)(1)(B) when warranted. The legislative history of section 4204 indicates a Congressional intent that the statute be administered in a manner that assures protection of the plan with the least intrusion into normal business transactions practicable. Senate Committee on Labor and Human Resources, 96th Cong., 2nd Sess., S. 1076, *The Multiemployer Pension Plan Amendments Act of 1980: Summary and Analysis of Considerations* 16 (Comm. Print, April 1980); 128 Cong. Rec. S10117 (July 29, 1980). The granting of a variance or exemption from the bond/escrow requirement does not constitute a finding by PBGC that a particular transaction satisfies the other requirements of section 4204(a)(1).

Under PBGC's regulation on variances for sales of assets (29 CFR part 4204), a request for a variance or exemption from the bond/escrow requirement under any of the tests established in the regulation (§§ 4204.12 and 4204.13) is to be made to the plan in question. PBGC will consider variance or exemption requests only when the request is not based on satisfaction of one of the four regulatory tests under regulation §§ 4204.12 and 4204.13, or when the parties assert that the financial information necessary to show satisfaction of one of the regulatory tests is privileged or confidential financial information within the meaning of 5 U.S.C. 552(b)(4) (Freedom of Information Act). *See* 29 CFR 4204.21.

Under § 4204.22 of the regulation, PBGC shall approve a request for a variance or exemption if it determines that approval of the request is warranted, in that it:

- (1) Would more effectively or equitably carry out the purposes of Title IV of the Act; and
- (2) Would not significantly increase the risk of financial loss to the plan.

Section 4204(c) of ERISA and § 4204.22(b) of the regulation requires PBGC to publish a notice of the pendency of a request for a variance or exemption in the **Federal Register**, and to provide interested parties with an opportunity to comment on the proposed variance or exemption.

The Request

PBGC has received a request, dated November 25, 2009, from Ricketts Acquisition LLC (the "Purchaser") for an exemption from the bond/escrow requirement of section 4204(a)(1)(B) with respect to its purchase of the Chicago National League Ball Club, LLC

(the "Seller"). In the request, the Purchaser represents, among other things, that:

1. The Seller was obligated to contribute to the Major League Baseball Players Benefit Plan (the "Plan") for certain employees of the purchased operations.

2. The Purchaser has agreed to assume the obligation to contribute to the Plan for substantially the same number of contribution base units as the Seller.

3. The Seller has agreed to be secondarily liable for any withdrawal liability it would have had with respect to the purchased operations (if not for section 4204) should the Purchaser withdraw from the Plan and fail to pay its withdrawal liability.

4. The estimated amount of the withdrawal liability of the Seller with respect to the operations subject to the sale is \$34,030,359.

5. The amount of the bond/escrow established under section 4204(a)(1)(B) is \$4,068,868, which is to be posted if PBGC has not acted on the request by the end of the plan year of the request.

6. The Major League Baseball Clubs (the "Clubs") have established the Major League Central Fund (the "Central Fund") pursuant to the Major League Baseball Constitution. Under this Constitution, the Office of the Commissioner of Baseball pays contributions to the Plan from the Central Fund on behalf of each participating employer in satisfaction of the employer's pension liability under the Plan's funding agreement. The monies in the Central Fund are derived directly from (i) gate receipts from All-Star games; (ii) radio and television revenue from World Series, League Championship Series, Division Series, All-Star Games, and (iii) certain other radio and television revenue, including revenues from foreign broadcasts, regular, spring training, and exhibition games ("Revenues").

7. In support of the exemption request, the Purchaser asserts that "[t]he Plan is funded directly from Revenues which are paid from the Central Fund directly to the Plan without passing through the hands of any of the Clubs. Therefore, the Plan enjoys a substantial degree of security with respect to contributions on behalf of the Clubs. A change in ownership of a particular Club does not affect the obligation of the Central Fund to fund the Plan out of the Revenues. As such, approval of this exemption request would not increase the risk of financial loss to the Plan."

8. A complete copy of the request was sent to the Plan and to the Major League Baseball Players Association by certified mail, return receipt requested.

Issued at Washington, DC, August 27, 2010.

Director.
