

entries covered by this review.⁹ The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. Where either a respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. For any individually examined respondent and its importer(s) where neither of those situations is the case, in the final results of this review we will calculate an importer-specific per-unit assessment rate by dividing the total dumping margins for reviewed sales to the importer by the total sales quantity associated with those sales.

On October 24, 2011, the Department announced a refinement to its assessment practice in NME antidumping duty cases.¹⁰ Pursuant to this refinement in practice, for merchandise that was not reported in the U.S. sales databases submitted by an exporter individually examined during this review, but that entered under the case number of that exporter (*i.e.*, at the individually-examined exporter's cash deposit rate), the Department will instruct CBP to liquidate such entries at the PRC-wide rate. Additionally, pursuant to this refinement, if the Department determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number will be liquidated at the PRC-wide rate.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For the exporters listed above, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review (except, if the rate is zero or *de minimis*, then the cash deposit rate will be zero for that exporter); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the

most recently completed segment of this proceeding; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the PRC-wide entity, 76.72 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213.

Dated: November 28, 2014.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on circular welded non-alloy steel pipe (CWP) from the Republic of Korea (Korea).¹ The period of review (POR) is November 1, 2012, through October 31, 2013. (Husteel), Hyundai HYSCO (HYSCO), Dongbu Steel Co., Ltd., SeAH Steel Corporation, A-JU Besteel Co., Ltd., Kumkang Industrial Co., Ltd., Nexteel Co., Ltd., and Union Steel Co., Ltd. We preliminarily find that Husteel and HYSCO have made sales of the subject merchandise at prices below normal value. We are rescinding this review for the remaining six producers or exporters. Interested parties are invited to comment on these preliminary results.

DATES: *Effective Date:* December 5, 2014.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), we are rescinding this administrative review with respect to the following parties because the review requests were timely withdrawn: Dongbu Steel Co., Ltd., SeAH Steel Corporation, A-JU Besteel Co., Ltd., Kumkang Industrial Co., Ltd., Nexteel Co., Ltd., and Union Steel Co., Ltd.³

Methodology

The Department has conducted this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Constructed export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS).⁴ ACCESS is available to registered users at <http://access.trade.gov>, and is available to all parties in the Central Records Unit, Room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://trade.gov/enforcement>. The signed Preliminary Decision Memorandum and the

electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of the Review

As a result of this review, we preliminarily determine that the following weighted-average dumping margins exist for the respondents for the period November 1, 2012, through October 31, 2013.

Producer or exporter	Weighted-average dumping margin (percent)
Husteel Co., Ltd	1.15
Hyundai HYSCO	2.02

Disclosure and Public Comment

The Department intends to disclose to interested parties the calculations performed in connection with these preliminary results within five days of the date of publication of this notice.⁵ Interested parties may submit case briefs no later than 30 days after the date of publication of the preliminary results.⁶ Rebuttal briefs, limited to the issues raised in the case briefs, may be filed no later than five days after the submission of case briefs.⁷ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.⁸ All case and rebuttal briefs must be filed electronically using ACCESS, and must also be served on interested parties.⁹ An electronically filed document must be received successfully in its entirety by the Department's electronic records system, ACCESS, by 5:00 p.m. Eastern Standard Time on the date that the document is due. Executive summaries should be limited to five pages total, including footnotes.

Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, using Enforcement and Compliance's ACCESS system within 30 days of publication of this notice.¹⁰ Hearing requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, we will inform parties of the scheduled date for the hearing which

will be held at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a time and location to be determined. Parties should confirm by telephone the date, time, and location of the hearing.

Unless the deadline is extended pursuant to section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.213(h)(2), the Department intends to issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their case and rebuttal briefs, within 120 days after the publication of these preliminary results, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Assessment Rates

For Husteel and HYSCO, upon issuance of the final results, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. Both Husteel and HYSCO reported the name of the importer of record and the entered value for all of their sales to the United States during the POR. If Husteel and HYSCO's weighted-average dumping margins are not zero or *de minimis* (i.e., less than 0.50 percent) in the final results of this review, we will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of those sales in accordance with 19 CFR 351.212(b)(1).

We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. Where either the respondent's weighted-average dumping margin is zero or *de minimis*,¹¹ or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

The Department clarified its "automatic assessment" regulation on May 6, 2003. This clarification will apply to entries of subject merchandise during the POR produced by Husteel and HYSCO for which they did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate

For Husteel and HYSCO, we intend to issue instructions to CBP 15 days after publication of the final results of this review.

For the companies for which the review has been rescinded, antidumping duties shall be assessed at rates equal to the rates for the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice.

Cash Deposit Requirements

The following cash deposit requirements for estimated antidumping duties will be effective upon publication of the notice of final results of administrative review for all shipments of CWP from Korea entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for HYSCO and Husteel will be equal to the weighted-average dumping margins established in the final results of this administrative review; (2) for merchandise exported by producers or exporters not covered in this review but covered in a prior completed segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer has been covered in a prior complete segment of this proceeding, the cash deposit rate will be the rate established for the most recent period for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 4.80 percent, the “all others” rate established in the order.¹² These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder and, with respect to companies which we rescind in part as a final reminder, to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

The Department is issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Rescission of Antidumping Duty New Shipper Review; 2013–2014

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request from BASA Joint Stock Company (“BASACO”), the Department of Commerce (“Department”) initiated a new shipper review of the antidumping duty order on certain frozen fish fillets from the Socialist Republic of Vietnam (“Vietnam”) covering the period August

1, 2013, through July 31, 2014.¹ On November 4, 2014, BASACO timely withdrew its request for a new shipper review. Accordingly, the Department is rescinding the new shipper review with respect to BASACO.

DATES: *Effective Date:* December 5, 2014.

FOR FURTHER INFORMATION CONTACT:

Alexander Montoro, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–0238.

Rescission of New Shipper Review

On September 24, 2014, the Department initiated a new shipper review of BASACO.² On November 4, 2014, BASACO withdrew its new shipper review request.³ 19 CFR 351.214(f)(1) provides that the Department may rescind a new shipper review if the party that requested the review withdraws its request for review within 60 days of the date of publication of the notice of initiation of the requested review in the **Federal Register**. Because BASACO timely withdrew its request for a new shipper review (*i.e.*, 33 days after the date of publication of the notice of initiation of the requested review), the Department is rescinding the new shipper review of the antidumping duty order on certain frozen fish fillets from Vietnam with respect to BASACO. Consequently, BASACO will remain part of the Vietnam-wide entity.

Assessment

Because BASACO remains part of the Vietnam-wide entity, it remains under review in the ongoing administrative review of the antidumping duty order of certain frozen fish fillets from Vietnam covering the period August 1, 2013, to July 31, 2014.⁴ Therefore, the Department will not order liquidation of entries for BASACO. The Department intends to issue liquidation instructions for the Vietnam-wide entity, which will cover any entries by BASACO, 15 days after publication of the final results of the administrative review covering the
