

timely withdrew its request for an administrative review of exports from GTC, TUTRIC, Feichi, Huitong, Aeolus, Triangle, and Wanda (*i.e.*, within 90 days of the publication of the notice of initiation of this review). On November 24, 2009, Super Grip and Innova timely withdrew their requests for an administrative review of exports from Innova. On December 10, 2009, GTC timely withdrew its request for an administrative review of its exports. On February 24, 2010, TUTRIC withdrew its request for an administrative review of its exports. In spite of the fact that TUTRIC missed the deadline, we are accepting the request because the Department has not invested significant recourses into the analysis of TUTRIC's responses. Because no additional party requested a review of GTC's, TUTRIC's, Feichi's, Huitong's, Aeolus', Triangle's, Wanda's, and Innova's exports, the Department hereby rescinds the administrative review of OTR tires with respect to these entities in accordance with 19 CFR 351.213(d)(1). This administrative review will continue with respect to Starbright, Hangzhou Zhongce Rubber Co., Ltd., KS Holding Limited and KS Resources Limited, Laizhou Xiongying Rubber Industry Co., Ltd., Qingdao Free Trade Zone Full World International Trading Co., Ltd., Qingdao Taifa Group Co., Ltd. and Weihai Zhongwei Rubber Co., Ltd.

#### Assessment Rates

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For GTC, TUTRIC, Feichi, Huitong, Aeolus, and Triangle, which each had previously established eligibility for a separate rate, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(2). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Because Wanda and Innova remain part of the PRC entity, their respective entries may be under review in the ongoing administrative review. Accordingly, the Department will not order liquidation of entries for Wanda or Innova. The Department intends to issue assessment instructions for the PRC entity, which will cover any entries by Wanda and Innova, 15 days after publication of the final results of the ongoing administrative review.

#### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's assumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

*This notice is issued and published in accordance with section 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).*

Dated: May 14, 2010.
