Title: Advance Directive: Durable Power of Attorney for Health Care and Living Will, VA Form 10-0137.

OMB Control Number: 2900-0556.

Type of Review: Extension of a currently approved collection.

Abstract: Section 7331 of title 38, United States Code (U.S.C.), requires, in relevant part, that the Secretary of Veterans Affairs, upon the recommendation of the Under Secretary for Health, prescribe regulations to ensure, to the maximum extent practicable, that all Department of Veterans Affairs (VA) patient care be carried out only with the full and informed consent of the patient, or in appropriate cases, a representative thereof. Based on VA's interpretation of this statute and our mandate in 38 U.S.C. 7301(b) to provide a complete medical and hospital service, we recognize that patients with decision-making capacity have the right to state their treatment preferences in a VA or other valid advance directive.

VA Form 10-0137, *VA Advance Directive: Durable Power of Attorney for Health Care and Living Will*, is the VA recognized legal document that permits VA patients to designate a health care agent and/or specify preferences for future health care. The VA Advance Directive is invoked if a patient becomes unable to make health care decisions for himself or herself. Use of the VA Advance Directive is specified in VHA Handbook 1004.02, *Advance Care Planning and Management of Advance Directives*. Veterans' rights to designate a health care agent and specify health care preferences in advance are codified in 38 CFR 17.32. This regulation also obligates VA to recognize advance directives and to use the information contained therein when health care decisions must be made for a patient that has lost decision making capacity.

VA Form 10-0137 (both English and Spanish-English language versions) has a current OMB Paperwork Reduction Act (PRA) clearance under OMB Control Number 2900-0556. In addition, 2900-0556 now includes the collection of a

“Close Personal Friend Statement” for incapacitated Veterans who have not completed an Advance Directive and are in need of health care. When a Veteran is incapacitated and does not have an Advance Directive, the VA regulations allow a statement to be submitted from a “Close Personal Friend” who will be responsible for making health care decisions on behalf of the Veteran. It is estimated that 300 such statements will be collected annually. VA seeks to renew the PRA clearance for the information collection under OMB Control Number 2900-0556.
