NOTIFICATION PROCEDURES:

Persons can determine if this system contains a record about them by writing to the system manager at the above address and providing their name, SSN, or other information that may be in this system of records that will identify them. Persons requesting notification of records in person should provide the same information, as well as provide an identity document, preferably with a photograph, such as a driver's license or some other means of identification, such as voter registration card, etc. Persons lacking identification documents sufficient to establish their identity must certify in writing that they are the person they claim to be and that they understand that the knowing and willful request for, or acquisition of, a record pertaining to another person under false pretenses is a criminal offense.

Persons requesting notification by telephone must verify their identity by providing identifying information that parallels the information in the record to which notification is being requested. If we determine that the identifying information the person provides by telephone is insufficient, the person will be required to submit a request in writing or in person. If a person requests information by telephone on behalf of another individual, the subject person must be on the telephone with the requesting person and with us in the same phone call. We will establish the

subject person's identity (his or her name, SSN, address, date of birth, and place of birth, along with one other piece of information such as mother's maiden name), and ask for his or her consent to provide information to the requesting person. Persons requesting notification submitted by mail must include a notarized statement to us to verify their identity or must certify in the request that they are the person they claim to be and that they understand that the knowing and willful request for, or acquisition of, a record pertaining to another person under false pretenses is a criminal offense.
