

**Deletions****Regulatory Flexibility Act Certification**

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. If approved, the action will not result in additional reporting, recordkeeping or other compliance requirements for small entities.
2. If approved, the action may result in authorizing small entities to furnish a product and a service to the Government.
3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46–48c) in connection with a product and a service proposed for deletion from the Procurement List.

**End of Certification**

The following product and service are proposed for deletion from the Procurement List:

**SUPPLEMENTARY INFORMATION:**

*Title:* Stocks of Grain in Licensed Warehouses, OMB Control No. 3038–0019.

This is a request for extension of a currently approved information collection.

*Abstract:* Under Commission Regulation 1.44, 17 CFR 1.44, contract markets must require operators of warehouses regular for delivery to keep records on stocks of commodities and make reports on call by the Commission. The regulation is designed to assist the Commission in prevention of market manipulation and is promulgated pursuant to the Commission's rulemaking authority contained in section 5a of the Commodity Exchange Act, 7 U.S.C. 7a.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for the CFTC's regulations were published on December 30, 1981. See 46 FR 63035 (Dec. 30, 1981). The **Federal Register** notice with a 60-day comment period soliciting comments on this collection of information was published on April 13, 2010 (75 FR 18824).

*Burden statement:* The respondent burden for this collection is estimated to average 1 hour per response. This estimate includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; and transmit or otherwise disclose the information.

*Respondents/Affected Entities:* 3.

*Estimated number of responses:* 156.

*Estimated total annual burden on respondents:* 156 hours.

*Frequency of collection:* Weekly.

Send comments regarding the burden estimated or any other aspect of the

information collection, including suggestions for reducing the burden, to the addresses listed below. Please refer to OMB Control No. 3038–0019 in any correspondence.

**DEPARTMENT OF DEFENSE****Office of the Secretary****Draft Environmental Impact Statement Addressing Campus Development at Fort Meade, MD**

**AGENCY:** Department of Defense (DoD).

**ACTION:** Notice of availability; notice of public meeting; request for comments.

**SUMMARY:** The Department of Defense (DOD) announces the availability of the Draft Environmental Impact Statement (EIS) as part of the environmental planning process for a Campus Development Project at Fort George G. Meade, Maryland (hereafter referred to as Fort Meade). The DOD proposes the development of a portion of Fort Meade (referred to as “Site M”) as an operational complex and to construct and operate consolidated facilities to meet the National Security Agency's (NSA) continually evolving requirements and for Intelligence Community use. The purpose of the proposed action is to provide facilities that are fully-supportive of the Intelligence Community's mission. The action is driven by the need to co-locate key partnering organizations to ensure required capabilities for current and future missions are achieved.

This notice announces a 45-day comment period and provides information on how to participate in the public review process. The public comment period for the Draft EIS will officially end 45 days after publication of U.S. Environmental Protection Agency's Notice of Availability in the **Federal Register**.

**DATES:** There will be an open house beginning at 4:30 p.m. followed by a public meeting from 5 p.m. to 7 p.m. on July 21, 2010 (see **ADDRESSES** for meeting location). The public meeting
