[Docket ID: FSA–2022–0007]

### Information Collection Request; Direct Loan Making

AGENCY: Farm Service Agency, USDA.

ACTION: Notice; request for comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act (PRA) of 1995, the Farm Service Agency (FSA) is requesting comments from all interested individuals and organizations on a revision and an extension of a currently approved information collection associated with Direct Loan Making Program. The collected information is used in eligibility and feasibility determinations on farm loan applications.

**DATES:** We will consider comments that we receive by October 31, 2022.

**ADDRESSES:** We invite you to submit comments in response to this notice. FSA prefers that the comments are submitted electronically through the Federal eRulemaking Portal, identified by Docket ID No. FSA–2022–0007, go to <https://www.regulations.gov> and search for docket ID FSA–2022–0007. Follow the online instructions for submitting comments.

All comments received will be posted without change and made publicly available on [www.regulations.gov](http://www.regulations.gov).

**FOR FURTHER INFORMATION CONTACT:** Raenata Walker-Cohen; telephone; (202) 205–0682; email: [raenata.walker-cohen@usda.gov](mailto:raenata.walker-cohen@usda.gov). Persons with disabilities who require alternative means for communication should contact the USDA Target Center at (202) 720–2600 (voice) or (844) 433–2774 (toll-free nationwide).

#### SUPPLEMENTARY INFORMATION:

*Title:* Farm Loan Programs, Direct Loan Making.

*OMB Control Number:* 0560–0237.

*Expiration Date:* October 31, 2022.

*Type of Request:* Revision and Extension.

*Abstract:* FSA's Farm Loan Programs provide loans to family farmers to purchase real estate and equipment, and to finance agricultural production. Direct Loan Making and Direct Farm Ownership Microloan (DFOML) regulations in 7 CFR part 764 provide the requirements and process for determining an applicant's eligibility for a direct loan.

There were changes to the numbers in the request because the figures were miscalculated in the previous report. Consequently, the burden hours increased by 67,345, and the number of responses increased by 6,330. The numbers are currently reflected in the information collection request.

For the following estimated total annual burden on respondents, the formula used to calculate the total burden hour is the estimated average time per responses hours multiplied by the estimated total annual responses.

*Estimate of Average Time to Respond:* Public reporting burden for the information collection is estimated to average 0.405 hours per response.

*Type of Respondents:* Individuals or households, businesses or other for-profit farms.

*Estimated Annual Number of Respondents:* 184,871.

*Estimated Number of Responses per Respondent:* 3.8.

*Estimated Total Annual Responses:* 704,724.

*Estimated Average Time per Response:* 0.405 hours.

*Estimated Total Annual Burden on Respondents:* 285,272 hours.

We are requesting comments on all aspects of this information collection to help us to:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of FSA, including whether the information will have practical utility;

(2) Evaluate the accuracy of FSA's estimate of burden including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility and clarity of the information to be collected;

(4) Minimize the burden of the collection of information on those who are to respond, including through the

use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments received in response to this notice, including names and addresses when provided, will be a matter of public record. Comments will be summarized and included in the submission for Office of Management and Budget approval.

### Foreign Agricultural Service

### Adjustment of Appendices Under the Dairy Tariff-Rate Quota Import Licensing Regulation

AGENCY: Foreign Agricultural Service, USDA.

ACTION: Notice.

**SUMMARY:** This notice announces the transfer of amounts for certain dairy articles from the historical license category (Appendix 1) to the lottery (nonhistorical) license category (Appendix 2) pursuant to the Dairy Tariff-Rate Quota Import Licensing regulations for the 2022 quota year.

**DATES:** August 31, 2022.

#### FOR FURTHER INFORMATION CONTACT:

Elizabeth Riley, (202) 720–6868, [Elizabeth.riley@usda.gov](mailto:Elizabeth.riley@usda.gov).

**SUPPLEMENTARY INFORMATION:** The Foreign Agricultural Service, under a delegation of authority from the Under Secretary for Trade and Foreign Agricultural Affairs, administers the Dairy Tariff-Rate Quota Import Quota Licensing Regulation codified at 7 CFR 6.20–6.36 that provides for the issuance of licenses to import certain dairy articles under tariff-rate quotas (TRQs) as set forth in the Harmonized Tariff Schedule (HTS) of the United States. These dairy articles may only be entered into the United States at the low-tier tariff by or for the account of a person or firm to whom such licenses have been issued and only in accordance with the terms and conditions of the regulation.

Licenses are issued on a calendar year basis, and each license authorizes the

license holder to import a specified quantity and type of dairy article from a specified country of origin. The Imports Program, Foreign Agricultural Service, U.S. Department of Agriculture, issues these licenses and, in conjunction with U.S. Customs and Border Protection, U.S. Department of Homeland Security, monitors their use.

The regulation at 7 CFR 6.34(a) states that whenever a historical license

(Appendix 1) is permanently surrendered, revoked by the Licensing Authority, or not issued to an applicant pursuant to the provisions of § 6.23, then the amount of such license will be transferred to Appendix 2. Section 6.34(b) provides that the cumulative annual transfers will be published by notice in the **Federal Register**.

Accordingly, this document sets forth

the revised Appendices in the table below. Although there are no changes to the quantities for designated licenses (Appendix 3 and Appendix 4), those numbers are also included in the table below for completeness.

**Aileen Mannix,**

*Acting Licensing Authority, Foreign Agricultural Service.*
