We note that the Universal Service Administrative Company (USAC), who administers the Universal Service program, must preserve the confidentiality of all data obtained from respondents and contributors to the universal service support program mechanism; must not use the data except for purposes of administering the universal service support program; and must not disclose data in company-specific form unless directed to do so by the Commission.

Needs and Uses: The Commission will submit this revised information collection to the Office of Management and Budget (OMB) during this 30 day comment period in order to obtain the full three year clearance from them.

In November 2011, the Commission adopted a Report and Order, FCC 11-161, Connect America Fund; A National Broadband Plan for Our Future; Establish Just and Reasonable Rates for Local Exchange Carriers; High-Cost Universal Service Support; Developing a Unified Intercarrier Compensation Regime; Federal-State Joint Board on Universal Service; Life-line and Link-Up; and Universal Service Reform—Mobility Fund. This revision addresses several reforms adopted in the Report and Order. The Commission plans to

submit additional revisions or new collections for OMB review and approval to address other reforms adopted in the Order at a later date.

During the review process, it was determined that the reporting requirements under OMB Control Number 3060-0894 should be eliminated. The Order eliminated the rate comparability review and certification, as well as the certification letter accounting for receipt of federal support in OMB Control Number 3060-0894 was duplicative of the certification pursuant to section 254(e) of the Act. Upon OMB approval of this revised information collection, the Commission will voluntarily discontinue OMB Control Number 3060-0894.

The Order also moved the recordkeeping requirement from 47 CFR section 54.202(e) to new 47 CFR section 54.320. The Commission is deleting this recordkeeping requirement from the information collections in OMB Control Numbers 3060-1081 and 3060-0774.

The Order provides:

(1) That existing high-cost support for price cap incumbent local exchange carriers will be frozen at the 2011 levels.

(2) Adopts a rule to reduce, dollar-for-dollar, a carrier's high-cost loop support (for rate of return carriers) or Connect America Fund Phase I frozen high-cost support (for price cap carriers) to the extent that the carrier's local end user rate plus state regulated fees do not meet a specified urban rate floor.

(3) Modifies section 54.307;

(4) Revises the certifications that states (or ETCs that are not subject to state jurisdiction) are required to file annually with the Commission and USAC to ensure that carriers use universal service support "only for the provision, maintenance and upgrading of facilities and services for which the support is intended" consistent with section 254(e) of the Act;

(5) Eliminates the eligibility for Safety Net Additive support for costs incurred after 2009;

(6) Eliminates the distinction between "rural" and "non-rural" carriers.

(7) Moves the recordkeeping requirement from 47 CFR 54.202(e) to new section 47 CFR 54.320.

(8) Extends current federal annual reporting requirements to all ETCs, including those designated by states.

The Commission will use the information requirements to determine whether and to what extent incumbent LECs and competitive ETCs providing the data are eligible to receive universal service support.

Re: Notice of Debarment

File No. EB-11-IH-1122

Dear Mr. Sheets:

The Federal Communications Commission (Commission) hereby notifies you that, pursuant to Section 54.8 of its rules, you are prohibited from participating in the schools and libraries universal service support mechanism (E-Rate program) for three years from either the date of your receipt of this Notice of Debarment, or of its publication in the **Federal Register**, whichever is earlier in time (Debarment Date).¹

On October 18, 2011, the Commission's Enforcement Bureau (Bureau) sent you a Notice of Suspension and Initiation of Debarment Proceeding (Notice of Suspension)² that was published in the **Federal Register** on November 7, 2011.³ The Notice of Suspension suspended you from participating in activities associated with or relating to the E-Rate program and described the basis for initiating debarment proceedings against you, the applicable debarment procedures, and the effect of debarment.

As discussed in the Notice of Suspension, as president and co-owner of CMS Internet LLC (CMS), you devised and participated in a scheme to defraud the E-Rate program, which resulted in a loss to the program of up to \$70,000.⁴ Specifically, you made

materially false representations that induced two school districts to steer E-rate contracts to CMS; and you paid the school applicants' share of E-Rate expenses with purported "donations" and "leasing payments."⁵ Furthermore, you failed to disclose that you purchased ineligible goods and services with E-Rate funds.⁶ Finally, you obstructed a 2007 federal grand jury investigation by instructing a CMS employee to testify falsely about receiving gifts and to destroy computer records.⁷ As a result of your conviction for wire fraud, the United States District Court for the Western District of Michigan sentenced you to serve 15 months in federal prison, followed by two years of supervised release for defrauding the E-Rate program.⁸ The court also prohibited you from "having any involvement with any government-backed or federally-regulated programs during the course of supervision."⁹ The court ordered you to pay a \$12,000 criminal fine in addition to paying Universal Service Administration Company (USAC) \$115,534 in restitution.¹⁰ Pursuant to Section 54.8(c) of the Commission's rules, your conviction of criminal conduct in connection with the E-Rate program serves as a basis for your debarment.¹¹

In accordance with the Commission's debarment rules, you were required to file with the Commission any opposition to your suspension or its scope, or to your proposed debarment or its scope, no later than 30 calendar days from either the date of your receipt of the Notice of Suspension or of its publication in the **Federal Register**, whichever date occurred first.¹² The Commission did not receive any such opposition.

For the foregoing reasons, you are debarred from participating in the E-Rate program for three years from the Debarment Date.¹³ During this debarment period, you are excluded from participating in any activities associated with or related to the E-Rate program, including the receipt of funds or discounted services through the E-

Rate program, or consulting with, assisting, or advising applicants or service providers regarding the E-Rate program.¹⁴

Sincerely,

Theresa Z. Cavanaugh,
Acting Chief, Investigations and Hearings Division, Enforcement Bureau.
