SUPPLEMENTARY INFORMATION: Title V of Pub. L. 105-383 provides authority to the Secretary of Transportation to administratively waive the U.S.-build requirements of the Jones Act, and other statutes, for small commercial passenger vessels (no more than 12 passengers). This authority has been delegated to the Maritime Administration per 49 CFR § 1.66, Delegations to the Maritime Administrator, as amended. By this notice, MARAD is publishing information on a vessel for which a request for a U.S.-build waiver has been received, and for which MARAD requests comments from interested parties. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter's interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD's regulations at 46 CFR part 388.

Vessel Proposed for Waiver of the U.S.-Build Requirement

(1) Name of vessel and owner for which waiver is requested. Name of vessel: FREE SPIRIT. Owner: Crown Enterprises, LLC.

(2) Size, capacity and tonnage of vessel. According to the applicant: "Gross: 33, Net: 26, Length: 47.9 ft., Breadth: 15.6 ft, Depth: 6.7 ft."

(3) Intended use for vessel, including geographic region of intended operation and trade. According to the applicant: "The intended commercial use of this vessel is for harbor and offshore cruising from Santa Barbara to San Diego, California, including the offshore islands of Catalina, San Clemente, Santa Barbara, Anacapa, Santa Cruz, Santa

Rosa and San Miguel. All such usage would involve 12 passengers or less."

(4) Date and Place of construction and (if applicable) rebuilding. Date of construction: 1991. Place of construction: Taiwan, Republic of China.

(5) A statement on the impact this waiver will have on other commercial passenger vessel operators. According to the applicant: "The primary yacht chartering businesses in the Southern California area deal with much larger boats, specializing either in bay and dinner cruising with large groups, the transport of passengers to the City of Avalon, on Catalina Island, or involve similar sized or smaller boats which specialize in fishing trips. There are very few smaller boats (under 60 feet) available for charter for cruising. Accordingly, the offering of this vessel for harbor cruises, and for offshore cruising, with 12 or fewer people, will have a minimal, if any, impact on existing operators."

(6) A statement on the impact this waiver will have on U.S. shipyards. According to the applicant: "This waiver will have no material negative effect on U.S. shipyards. If anything, increased usage of the boat will result in a positive contribution to local shipyards, as additional maintenance will be required by such commercial usage."

Dated: July 19, 2002.
