

reporting performance measurement data regarding the project.

5. *Performance Measures:* For the purposes of Department reporting under 34 CFR 75.110, grantees must submit information to allow measurement of project outcomes and performance consistent with its approved application. For the Braille Training program, a grantee must collect and report information on:

(a) The number of participants who attend the program disaggregated by adults and youth.

(b) The number of participants who successfully complete the program disaggregated by adults and youth.

(c) The number of personnel who attend the program.

(d) The number of personnel who successfully complete the program.

(e) The number of trained personnel who subsequently report obtaining or advancing in positions where they provide braille instruction to blind youth and adults following completion of the program.

Grantees are required to report annually to the Rehabilitation Services Administration (RSA) on these data.

6. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, whether the grantee has made substantial progress in achieving the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

ELECTION ASSISTANCE COMMISSION

Agency Information Collection Activities

Election Supporting Technology Evaluation Program Anomaly Reporting Forms

AGENCY: Election Assistance Commission.

ACTION: Notice; request for comment.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the U.S. Election Assistance Commission (EAC) gives notice that it is requesting from the Office of Management and Budget (OMB) approval for the information collection of one Election Supporting Technology Evaluation form. The information collected is to be used to improve the quality of election-supporting technology used in federal elections, and to collect necessary key information on election-supporting technology anomalies. Participation in this program is voluntary.

DATES: Comments must be received by 5 p.m. Eastern on Monday, May 13, 2024.

ADDRESSES: Comments on the proposed form should be submitted electronically via <https://www.regulations.gov> (docket ID: EAC-2024-0001).

Written comments on the proposed information collection can also be sent

to the U.S. Election Assistance Commission, 633 3rd Street NW, Suite 200, Washington, DC 20001, Attn: Election Supporting Technology Evaluation Program.

FOR FURTHER INFORMATION CONTACT:

Jennifer Day, Election Technology Specialist, Election Supporting Technology Evaluation Program, Washington, DC, (202) 578-6641. Email: ESTEP@eac.gov.

All requests and submissions should be identified by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Title and OMB Number: Election Supporting Technology Evaluation Anomaly Reporting Forms
OMB Number Pending.

Purpose

In compliance with Section 3507(a)(1)(D) of the Paperwork Reduction Act (PRA) of 1995, EAC is submitting to the Office of Management and Budget (OMB) a request for review and approval of the information collection described. The purpose of this notice is to allow 60 days for public comment from all interested individuals and organizations.

The EAC Election Supporting Technology Evaluation Program evaluates the security and accessibility of election-supporting technologies, including electronic poll books, voter registration systems, electronic ballot delivery systems, and election night reporting databases. The program is to publish two forms. These forms are to be used to collect initial anomaly information and anomaly root cause analysis as reported by election officials and election-supporting technology manufacturers. The information collected will be used to improve the quality of election-supporting technology used in federal elections.

Public Comments

We are soliciting public comments to permit the EAC to:

- Evaluate whether the proposed information collection is necessary and sufficient for the proper functions of the Election Supporting Technology Evaluation Program.
- Evaluate the accuracy of our estimate of burden for this proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.

- Minimize the reporting burden on those who are to respond, including the use of information technology.

Please note that comments submitted in response to this Notice are public

record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information,

will be available for public review. Respondents: Election Supporting Technology Manufacturers, State and Local Election Officials.

Annual Reporting Burden

OMB approval is requested for 3 years.

ANNUAL BURDEN ESTIMATES

Instrument	Estimated number of respondents	Total number of responses per year	Average burden hours per response	Annual burden hours
ESTEP Anomaly Reporting Form	5	5	2	50
ESTEP Root Cause Anomaly Form	5	5	16	400
Total	10	450

The estimated cost of the annualized cost of this burden is: \$37,800.

Camden Kelliher,

Acting General Counsel, U.S. Election Assistance Commission.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. ER24-1420-000]

Sierra Estrella Energy Storage LLC; Supplemental Notice That Initial Market-Based Rate Filing Includes Request for Blanket Section 204 Authorization

This is a supplemental notice in the above-referenced proceeding of Sierra Estrella Energy Storage LLC's application for market-based rate authority, with an accompanying rate tariff, noting that such application includes a request for blanket authorization, under 18 CFR part 34, of future issuances of securities and assumptions of liability.

Any person desiring to intervene or to protest should file with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant.

Notice is hereby given that the deadline for filing protests with regard to the applicant's request for blanket authorization, under 18 CFR part 34, of future issuances of securities and assumptions of liability, is March 27, 2024.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.
