The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background. On February 5, 2010, the Commission determined that the domestic interested party group response to its notice of institution (74 FR 56663 November 2, 2009) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act.

Staff report. A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on April 8, 2010, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions. As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the

reviews may file written comments with the Secretary on what determinations the Commission should reach in the reviews. Comments are due on or before April 13, 2010 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by April 13, 2010. However, should the Department of Commerce extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Even where electronic filing of a document is permitted, certain documents must also be filed in paper form, as specified in II (C) of the Commission's Handbook on Electronic Filing Procedures, 67 FR 68168, 68173 (November 8, 2002).

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination. The Commission has decided to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

Issued: March 18, 2010.

By order of the Commission.

Secretary to the Commission.

Enforcement Proceeding; In the Matter of Certain Liquid Crystal Display Devices and Products Containing the Same; Notice of a Commission Determination Not To Review an Initial Determination Terminating the Enforcement Proceeding; Termination of the Enforcement Proceeding

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") (Order No. 29) of the presiding administrative law judge ("ALJ") terminating the above-captioned enforcement proceeding based on a settlement agreement.

FOR FURTHER INFORMATION CONTACT: Clint Gerdine, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 708-5468. Copies of non-confidential documents filed in connection with this enforcement proceeding are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its

Internet server at <http://www.usitc.gov>. The public record for this enforcement proceeding may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this enforcement proceeding on December 18, 2009, based on a complaint filed by Samsung Electronics Co., Ltd. ("Samsung") of Korea. 74 FR 67248. The complaint alleges violations of the limited exclusion order and cease and desist orders issued at the conclusion of the underlying investigation, where the Commission found a violation of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. **1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain liquid crystal display devices and products containing the same by reason of infringement of certain claims of U.S. Patent No. 6,771,344. The Commission's notice of enforcement proceeding named the following respondents: Sharp Corporation of Japan; Sharp Electronics Corporation of Mahwah, New Jersey; and Sharp Electronics Manufacturing, Company of America, Inc. of San Diego, California (collectively, "Sharp").

On February 12, 2010, Samsung and Sharp jointly moved to terminate the enforcement proceeding on the basis of a settlement agreement. No party opposed the motion.

The ALJ issued the subject ID on March 5, 2010, granting the motion for termination. He found that the motion for termination satisfies Commission rule 210.21(b). He further found, pursuant to Commission rule 210.50(b)(2), that termination of this enforcement proceeding by settlement agreement is in the public interest. No party petitioned for review of the ID. The Commission has determined not to review the ID, and the enforcement proceeding is terminated.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in sections 210.21 and 210.42(h) of the Commission's Rules of Practice and Procedure (19 CFR 210.21, 210.42(h)).

By order of the Commission.

Issued: March 19, 2010.
